

**Absentee Shawnee
Community Development
Corporation, ASDC**

Dear Community Member,

The Absentee Shawnee Development Corporation is working with technical assistance provider, Oweesta Co., in an attempt to gather information pertaining to the needed areas of finance in order to develop products that the community will use and benefit from. Attached is a survey that asks questions pertaining to business and housing financial services. ASDC is funded by the Community Development Financial Institute through the Department of Funding (CDFI). The main purpose of the CDFI program is to provide housing loans, business loans, and financial education. Other loan type programs can be provided and with the survey ASDC can have a better determination of what products need to be offered. Please fill out the attached survey when completed call or email Heather Napier at (405) 275-4030 ext. 6264 or email at hnapier_CDFI@yahoo.com. I am more than happy to come by and pick up the completed survey. Also, if you have internet capabilities a link to the survey is available at www.astribe.com. All information gathered is confidential and the survey does not ask for any personal identifying information.

If you have any questions please feel free to contact me at (405) 275-4030 ext. 6264 or by email at hnapier_CDFI@yahoo.com

Yours Sincerely,

Heather Napier
ASDC Executive Director
