From the Election Commission

Tribal Members, the following persons have turned in packets for elective office.

EXECUTIVE COMMITTEE

Governor
Edwina Butler-Wolfe
John Lee Soap, Jr.
George Blanchard

Andrew Warrior
Phillip Ellis
Joseph Blanchard

Tribal Secretary
Athedaw Fletcher
John Raymond Johnson

ELECTION COMMISSION

Election Commissioner
John Al LittleAxe

Election Secretary
Sherman Tiger

Commission Member #2
Alicia Miller

TRIBAL MEMBERS:

There will be a re-organization on how tribal members line up when they come in to vote during elections. There will be only one (1) person, at a time, allowed at the registration table when registering to vote. There will be more detailed information published in the March Newsletter.

IF YOU’D LIKE TO SUBMIT AN AD OR ARTICLE:

Give us a call at (405) 598-1279 or (405) 481-0558 or send us an e-mail to stiger@astribe.com

ALL ARTICLES FOR THE NEXT MONTH’S ISSUE ARE DUE BY THE 15TH OF THE CURRENT MONTH.

UNFORTUNATELY, WE CAN ONLY ACCEPT ONE PICTURE PER BIRTHDAY PERSON, NOT PER BIRTHDAY WISH.
Executive Committee

Governor’s Report

Hello friends, neighbors, relatives and Tribal members at large!

The weather here in the Shawnee and Oklahoma area is proving to be a challenge for our local and state meteorologists in regards to reliably predicting what weather Shawnee and Oklahoma may be facing. A good example is weather forecast(s) received for our area indicated we would get freezing rain and ice and some snow. Based on that information the tribe closed as did many local schools and businesses. Yet the temperatures on Friday were not hazardous in Shawnee. This just goes to show how unpredictable our weather can be. I generally find that the Farmer’s Almanac can give me a better idea of what we can expect in relation to weather.

Budgets

The Executive Committee conducted an informal budget review and it was agreed to that both elected official and program budgets being paid by our General Fund would be decreased by 10% for 2017. The Indirect Cost budgets are to remain the same as the 2016 budgets. The General Fund and Indirect Cost budgets were placed under Resolutions, approved by the Executive Committee and are now in place. I appreciate the Finance staff who assisted with this process.

Director’s Meetings

The Director’s Meeting was not held this month due to the federal/tribal holiday. The next Director’s meeting will be held on Monday, January 23, 2017. I have requested that all Directors and Executive Committee attend this meeting so that we can address program questions and help the tribe to face the challenges within our tribal community.

We have nine Divisions at the Tribe under EC oversight. The Health Corporation(s) are now under Board Authority without any tribal oversight.

Attorney General

Our current Attorney General resigned effective January 31st. Hobbs, Strauss, Dean & Walker, a nationally recognized Indian law firm, has provided legal guidance and direction to the tribe for the past 3.5 years. The tribe is taking bids to fill the role of Attorney General, a constitutionally required position, and we anticipate filling this need by or before the 31st.

Other Topics/Expressions

Happy Birthday & Anniversary
To those who have had a birthday or anniversary I extend my warmest regards.

Condolences
To those families who may have lost a family member this month I extend my deepest condolences to you and your family.

Meetings Attended for December and Mid-January

DECEMBER 2016
Meeting dates prior to December 21st were provided in the January newsletter.
23-26th Tribal Holiday
29th Special Executive Committee Meeting - 10:00 a.m.
30th All Nation’s Bank Meeting – Shawnee - 4:00 p.m.

JANUARY 2017
2nd Tribal Holiday
6th Inclement Weather – Tribe Closed
13th Inclement Weather – Tribe Closed
16th Tribal Holiday
17th Met with the Dr. Shipley, All Nations Bank, President
18th Regular Executive Committee Meeting

The Directors Meeting is the third Monday of each month but due to the Martin Luther King Holiday, the next Directors Meeting will be held on Monday, January 23, 2017.

DOT Negotiated Rulemaking Committee

The next DOT FAST Act Negotiated Rulemaking Committee meeting is to be held in Denver, CO. As you may recall I was unable to attend the last schedule meeting in Alabama due to weather and flight cancellation/changes.

If you are interested in learning more about the FAST Act DOT TTSGP Negotiated Rulemaking Committee this information may be found at: fhwa.dot.gov

Continued on next page
In Conclusion
I have 4 months left in Office and I find each day eventful and full of possibilities. My door is always open (unless I am in a meeting or at a meeting) and I welcome your visits.

Help me to make a difference – stand beside me and Let us Build for the Future (BFF) - united and together!

Thank you for your support.

Secretary’s Report

Tribal Members,

As you all know, the Ramah Case Settlement has been paid to the tribe, and the finance department has started the distribution of Per Cap checks. As of today, the tribe has disbursed 2,177 Per Cap checks. Please help spread the word to anyone you know that was enrolled on or before 10/24/15 has yet to receive their Per Cap checks. Per Caps checks will be processed once a W-9 is submitted to my office. Please make sure your information is the same information within the Enrollment Department. If the two addresses do not match, the W-9 will not be processed. Once your information is verified, our office will send your paperwork to finance for processing. The Finance office will then process the check which will take up to 10 Business days and then it will be mailed to the address on the W-9 or you can pick up your check in Finance the Friday after the 10th Business day. (The address must be your physical address and NOT A PO BOX.) You can either fax or email your W-9 to my office: Fax 405-275-1922, email: alvinab@astribe.com. The Per Cap disbursement is a ONE TIME disbursement. The finance office will be sending out letters to out of state Tribal members, so if you know anyone out of state, please make them aware.

For children, once a final decision is made on their per cap checks, then an official letter will be sent out to parents with the detailed information. Make sure Enrollment has proper addresses for each AST minor and guardianship for point of contact.

For inmates, my assistant and the Treasurer’s Assistant are researching each correctional facility. They are trying to find the correct way to send them their per cap money. All institutes are different and require different documentation for this process not to mention the processing fee. Please be patient we are working on getting every Tribal member their money.

I hope this helps with any questions you may have.

Thank You,
John R. Johnson
Tribal Secretary

WEBSITE: WWW.ASHOUSINGAUTHORITY.COM
Hello all, here in enrollment we hope that everyone had a good holiday. Enrollment would like to inform everyone about the new way enrollment will operate. As stated in the last newsletter we will now be making appointments. The Absentee Shawnee Tribal Enrollment Appointment maker is a scheduling tool that is to be used to make appointments for the Enrollment Department. Making appointments is mandatory effective January 9, 2017. This is to ensure that the Enrollment staff set aside appropriate time to meet with individuals to discuss research, enrollment applications, and anything that may take some time in the office. We can ensure you are seen through this process. No appointment is necessary if you need a CDIB printed or are just turning in an application form. Walk-in’s are welcomed on Wednesday’s from 1 to 4 and all day on Friday’s. Booking can be made on this website or by calling the Enrollment office. Enrollment will also now be excepting cards for payment when purchasing a CDIB card. We are very excited about the new changes and hope that we can now serve tribal members better. You may also access the appointment website through the tribal website on the enrollment page.

Enrollment has been informed that many out in the community believe that we are incapable of putting new photos onto CDIB Cards, Enrollment has a new camera for the sole purpose of CDIB pictures. If your photo is out of date when you to the office, we advise you to change your photo to a current picture. If your CDIB doesn’t have a photo, we advise you that you need a new one. Enrollment will never deny any Tribal member the right to have a new photo taken. In Enrollment we want all records including your CDIB to be current. Please feel free to contact our office for any Questions.

All Absentee Shawnee High School Seniors are eligible and encouraged to apply.

Documents to be included with application:
□ Official High School Transcript
□ Letter of Recommendation (Educator/Coach)
□ Tribal Enrollment Card (copy)
□ Resume of Accomplishments and Activities
□ 500-word Essay: How do you feel your accomplishments (knowledge/training) will influence your future?
□ Video (optional): no more than 10 minutes in length
**Absentee Shawnee Tribal Members with Vision Insurance:**

All enrolled Absentee Shawnee Tribal members who have vision insurance will have their insurance billed for the exam and any prescribed optical products. The Tribal benefit will be used for the remainder of the cost for prescription eye glasses or contact lens, not to exceed the $350.00 vision benefit through the ASTHS Contract Health Services. If the amount exceeds the $350.00 benefit, the Tribal member will be responsible for the out of pocket expense.

*If an enrolled Absentee Tribal Member with insurance chooses to see an outside provider they will be responsible for notifying ASTHS Contract Health Services (405.701.7951 or 405.878.5850). Their benefit within the Absentee Shawnee Optometry Department will only allow for the amount within the $350.00 that was left unused for the vision benefit year. (i.e. If you were seen December 31, 2016 your vision benefit year lasts until December 30, 2017.)*

**Absentee Shawnee Tribal Members without Vision Insurance:**

All enrolled Absentee Shawnee Tribal members who do not have vision insurance must use the Absentee Shawnee Optometry Department to receive their eye exam at no charge and their $350.00 tribal benefit for the cost of prescription eye glasses or contact lens. If the amount exceeds the $350.00 benefit the Tribal member will be responsible for the out of pocket costs.

*These patient will need to ensure they have updated their chart. This is to include updated HIPAA and consent forms.*

**Absentee Shawnee Tribal Members who live outside of the catchment area:**

All enrolled Absentee Shawnee Tribal members who reside outside of the catchment area (Cleveland, Pottawatomie, Logan, Lincoln, and Oklahoma counties) may still utilize their tribal benefit only if they use the Absentee Shawnee Optometry department for their exam and/or prescription optical products. The allotted $350.00 will be used towards prescription eye glasses or contact lens. If the amount exceeds the $350.00 benefit the Tribal member will be responsible for the out of pocket costs.

**Additional products/charges outside of the allowed benefit schedule:**

Any additional products/charges outside of the allowed benefit schedule must be paid for by the patient. For example, patients who do not require corrective lens but chose to get colored contacts or non-prescription sunglasses these will be at their own expense. All charges will need to be paid for in advance following the payment guidelines posted in the office. NO CASH WILL BE ACCEPTED.

*No combining of discounts allowed
*Insurance benefits must be exhausted first before discounts can be applied.
*Patient’s co-pay portion cannot be discounted.*

---

**A Little Note from The Tag Office**

**Did You Know…..**

Any name changes that may occur (i.e. marriage, divorce, etc.) need to be updated through enrollment, BEFORE any new registrations or renewals can be processed.
PLEASE fill out EACH BLANK completely and return by the Deadline.

Election Commission/Representative
AST Health System - February 2017

This year is off to a great start, and we’re very excited about where your tribal health system is headed! The new specialty clinic has relocated to the former optometry office, opening space and access to more scheduling availability and smoother patient flow and experience. We are increasing our patients from several other tribes as well as seeing an increase in re-enrolled AST Tribal Members coming back to the tribe to access healthcare services!

In late November, the Absentee Shawnee Executive Committee passed a resolution to create and name members to the IHS compact negotiation team. The negotiation team is tasked with the review of our current health compact and annual funding agreement, gathering pertinent information and data required for negotiation with the IHS Oklahoma City Area Office, and bringing a viable final draft to the Executive Committee for approval. The negotiation team members have the knowledge, experience, and expertise to carry out these tasks and are extremely honored to be given a bode of confidence from the Executive Committee by being selected and confirmed by tribal resolution. Our health compact is one of the oldest in the IHS system and has not seen an update in nearly two decades. It is the understanding of the negotiation team that the negotiation process is not as contentious as it was in the early days of the Self-Governance program because of its newness in the 1990s. Today, our tribal health funding is solidified through Congressional appropriations, replacing the days of line item by line item negotiations. Only through a reduction in appropriations can Congress reduce tribal health funding to its base levels established years ago. Now there is meaningful dialog about health services, functions, activities and funding avenues between tribal representatives and the IHS through the government-to-government relationship. One of many goals in our negotiation process is to ensure all the health services, functions, and activities we provide through our health system are covered by the Federal Tort Claims Act (FTCA). This provides a level of protection for both our health system and the patients we serve. Being among the healthcare experts on our team, we are focused on reviewing the healthcare services, staffing schedule, and areas where the FTCA coverages need to be identified or realigned. The other portion of our negotiation team will address indirect cost rates, contract support cost reimbursement, formula funding, potential funding, and governance language within the compact and funding agreement. Tribes with larger health systems have undertaken the task of reviewing their compacts periodically to address changes in healthcare delivery and include any new services to be provided. You can have confidence the entire negotiation process is methodically approached, coordinated, and taken very seriously, as we understand the importance and impact an updated health compact will have for your health system.

The flu continues to wreak havoc upon our state, one of the hardest hit this year. Please continue to use good hygiene and if you become sick, limit your exposure to your family and co-workers during the onset of symptoms. It is not too late to get the flu vaccine and if you do become sick, seek medical attention as soon as possible to limit the effects of the flu upon you and your family.

We are thankful and very proud of our outstanding star performers again this month and thank them all for their contributions to our patients, their fellow employees, and the tribe! We are extremely happy to announce the Employee of the Year for 2016 is Mr. John McKinney, AST Health System’s Maintenance Team at Shawnee’s Clinic! He was voted as the Employee of the Year by his peers out of the previous 12 months of Employee of the Month Award winners — great job John, we appreciate your service and dedication! Employee of the Month in January for health was PA Todd Pelton, Primary Care; the Team of the Month was the AST Health System’s Security Staff. The Special Leadership Award was presented to Mr. Darrol Davis, Transportation, for his service and selflessness in transporting patients during inclement weather to ensure they accessed vital services. Our AST Health System strives to make your health its top priority, and you all make a difference for our health system and the health and wellness of all of our patients!

Additional health related information:

- **PlusCare Clinic/Little Axe area** has the ability to treat non-life threatening illnesses and injuries on a walk-in basis (no appointment needed). This service is extended to enrolled AST tribal members and other IHS eligible Native Americans who are the ages of 2 years and up. If you are a new (AI/AN) patient to our health system and are in need of our PlusCare services, please bring with you, your CDIB card, a second form of identification, social security card and health insurance card(s), if available. The location is 15702 East State Highway 9, Norman, OK (former Little Axe Clinic—near Thunderbird Casino/Norman). The phone number is (405) 447-0477. Hours of operation are M-F 9 AM to 9 PM with last walk-in accepted at 8:30 PM, Saturday and Sunday 9 AM to 5 PM and holidays are 9 AM to 5 PM (excluding Thanksgiving and Christmas) with last walk-in patient accepted at 4:30 PM.

- **Shawnee Clinic Extended Hours/Shawnee area** has the ability to treat non-life threatening illnesses and injuries on a walk-in basis (no appointment needed). This service is extended to enrolled AST tribal members, Native American Veteran’s, IHS eligible Native Americans, Medicaid/SoonerCare pediatric patients, and BCBS covered AST non-Native employees who are the ages of 2 years and up. If you are a new patient to our health system and are in need of our extended hours services, please bring with you, your CDIB card, a second form of identification, social security card and health insurance card(s), if available. The location is 2029 South Gordon Cooper Drive, Shawnee, OK. The phone number is (405)878-5850. Hours of operation are M-F 5 PM to 9 PM with last walk-in accepted at 8:30 PM, Saturday 9 AM to 5 PM with last walk-in accepted at 4:30 PM and closed Sundays and holidays.

- **Emergency Dental Clinic** is available every Monday from 8 AM to 11:30 AM at the Little Axe Health Center. Patients will be evaluated on a first come, first serve basis and type of emergency care needed. Patients who have suffered trauma or present infection will be considered before other as well as established patients being considered before new patients. For more information, please call (405) 447-0300.

- **AST/Serviced Health System Native American Veterans**: If you are currently receiving services with the area VA Medical Center, please contact us today to set up an appointment to have your services established with the AST Health System at either the Shawnee Clinic (405) 878-5850 or Little Axe Health Center (405) 447-0300.

- If you need CPR training, please contact the AST Health System’s Public Health Office at (405) 447-0300 for scheduling and training opportunities.

- **Contract Health Services (CHS)** interactive phone menu helps patients access the most appropriate service provider by calling (405) 701-7951 at the Little Axe Health Center. This feature will speed up access to the patients seeking services and follow-up to their care. We also have Contract Health representatives available at our Shawnee location. Tribal members are able to call Ms. Flo Mann, LPN or Ms. Laurie Webber, LPN at (405) 878-5850.

- **Customer Service** line is (405) 701-7623. Please direct all complaints or compliments to this line for appropriate attention and/or response. Please be assured that this is the best way to have each situation addressed, with consistent updates from our Health Staff. After the investigations of all issues are complete, our Health Director or a Clinic Administrator will personally contact you with updates, decisions, or question pertaining to your case.

- **The AST Anti-Bullying Prevention “HOTLINE”** is (405) 701-7987 during week hours 8-5, M-F, and for added confidentiality or after hours you may contact Mrs. Dara Thorpe at either (405) 701-7992 or via cell (405) 481-0815 to start intervention assistance for tribal youth. If an emergency or someone is at risk of harming themselves or others, please contact 911.

- **The Affordable Care Act Decision Tool** continues to be a valuable tool with helping you decide what you need to do for compliance with the act. Please see the ACA tab at the ASTHA Health Program’s Website: http://www.asthealth.org/aca (Please visit our site today to find out what you need to do to protect yourself and your family)!

- **Emergency After Hours Pharmacy**: If you experience an emergent issue after hours and receive a prescription that needs to be filled that same evening, AST Health has provided access for Tribal members only at three (3) approved Wal-green locations in Shawnee and Norman. You will need to submit your prescription and it is mandatory to identify yourself with your AST CDIB card and other appropriate ID. Then they shall fill your prescription. You will have a 5-day limited fill on your prescription. Upon the first work/business day, you can have the remaining balance of your prescription(s) transferred to your AST pharmacy in either Shawnee or Little Axe, and they will fill your remaining balance. The three (3) AST Health approved Walgreen service locations are: 1427 North Harrison Street or at 600 Shawnee Mall Drive, Shawnee, Oklahoma or 615 West Main Street, Norman, Oklahoma.

The Little Axe Health Center Drive-Thru Pharmacy is also available for emergency fills, for tribal members only, from: 5:00 PM to 9:00 PM Monday - Friday, 9:00 AM to 5:00 PM Saturday & Sunday and holidays from 9:00 AM to 5:00 PM excluding Thanksgiving and Christmas.

- **Social Media**: You can follow the AST Health System on Facebook and receive the most current messages and announcements regarding your tribal health care.
Song Demo Studio Services Available

I can make a sound track for you’re songs, or offer song writing help. Also for those that like singing Karaoke, I can change the keys to your tracks.

I can transfer your old LP albums to modern CD’s and clean them & much more.

For free estimate call or text;
Phil Bradley (405) 585-8801
**Reminder:**

- All trust land transactions must come through the Realty Office.
- Sales and/or any other trust land transactions must be authorized by the Realty Department and approved by the BIA.
- Any trust land transactions not involving the Realty Department are invalid.
- Please keep addresses current with the Office of the Special Trustee for Indians @ 1-888-678-6836. This will allow proper notification to be made to landowners on new leases and other information.
- Please keep addresses current with the Absentee Shawnee Enrollment Department. This allows the Realty Department to cross-reference landowner addresses with the OST.
- Please visit www.indiantrust.com whereabouts unknown/Oklahoma/Absentee Shawnee Tribe, to see if you or your relatives are on this list.
- Gift deed transactions will take time to get approved from the BIA.
- Negotiated sales must follow the proper procedures to ensure the transaction is considered for approval.
- A family member of a deceased landowner must initiate the probate process.

*If anyone has any questions, please contact the Realty Department @ (405) 275-4030.*

---

**PROBATE MISSION STATEMENT**

The primary mission of the Division of the Probate is to compile inventories of the Indian Trust Assets and family information, and to coordinate the timely distribution of trust assets with the Office of Hearings and Appeals, Land Titles and Records Office and the Office of Special Trustee.

The Division of Probate gathers information regarding decedent’s family and property and prepares it for adjudication by the Office of Hearings and Appeals (OHA). After OHA issues a probate order the Division works with other trust offices, such as the Office of Special Trustee for American Indians and the Land Titles and Records Office to distribute assets.

In order for this to happen, the family of the decedent will need to contact the Absentee Shawnee Real Estate Division (Probate) to start the probate process.

*Should you have any questions, please contact Lea Tsoataddle at 405-275-4030 ext. 6248.*

---

**AST FORUM**

This Social Media Facebook page, AST Forum was set-up for Absentee Shawnee Tribal Members, Tribal Workers and associates. Purpose of web page is to have a Forum to discuss Tribal Issues and possible solutions, also to share Tribal and family events which may occur. AST Forum is a creation of Mr. Calvin White.

Currently there are 333 members of which may add new members to the group, I can only hope a good dialog and solutions will be discussed on the page. And maybe new friends will be made and old relatives will meet once again and find common ground, to make our Tribe just a little better.

IMPORTANT INCLEMENT WEATHER INFORMATION

Norman, Oklahoma - The safety of our patients and employees is paramount in any emergency or inclement weather situation, and the Absentee Shawnee Tribal Health System (ASTHS) recognizes the fact that inclement weather and other emergencies can affect ASTHS’ ability to open (or remain open) for seeing patients and the employees’ ability to get to work (or to get home). For our patients, we strive to keep the health system closed for the briefest period of time possible. However for impending inclement weather - we are offering the following suggestions for our patients:

1. Please be sure to call ahead with your prescription re-fill needs within the allotted timeframe (24 hour fill time).
2. Please be sure to pick-up your medications (during non-weather event days) from pharmacy so that you will not go without during inclement weather.
3. Please make sure your patient contact information is up-to-date (such as phone number and email addresses) for notifications.
4. Please call ahead before venturing out into bad weather to see if we are open or closed.
   - Little Axe Health Center                      (405) 447-0300
   - Shawnee Clinic & SC Extended Hours           (405) 878-5850
   - PlusCare Clinic                                  (405) 447-0477
5. Watch for AST closure announcements on OKC’s local news channels.
6. Follow AST Health on Facebook at Absentee Shawnee Tribal Health for the latest announcements.
7. Follow us on Twitter @ASTHealth; or
8. ASTHS website www.asthealth.org

With the anticipation of electricity outages, the ASTHS recommends to fully charge your cell phones beforehand. The ASTHS encourages all patients to please stay safe and weather aware.
There is a welcoming place for women.

Studies show that women tend to ignore their own health while taking care of their children and partners. But how can you take care of them if you don’t take care of you? Breast and pelvic exams, mammography referrals, bone density screenings and adult immunizations are beyond important. They make you healthier. Better. More able to do the hard work that women do.

February is American Heart Month

February is American Heart Month and the Public Health Department would like to provide you with some helpful information about heart health and risk factors leading to heart disease. Heart disease is the leading cause of death in Native Americans. Some risk factors for heart diseases, such as genetics, we are not able to control. Most risk factors can be decreased or eliminated by making lifestyle changes. These lifestyle changes are not always easy to make but with some practice become easier. You can start by doing one or more of the following things:

- **Maintain a healthy blood pressure or control high blood pressures.** If you suspect high blood pressure, make an appointment with your health care provider. Measure your blood pressure at home for several days in a row, keep a record and take it with you to your appointment. Sometimes we have “white coat syndrome” and our blood pressures will always be elevated during your visit to the clinic. Your home measurements will help your provider better assess your blood pressure and plan treatment options.

- **Monitor and lower your cholesterol if it is elevated.** Our bodies have both “good” and “bad” fats and a proper amount of each is required to be healthy. We can maintain a good balance of each by eating right, but sometimes medications are also needed. Talk to your health care provider about your cholesterol levels.

- **Prevent or control diabetes.** Having diabetes greatly increases your risk for heart disease. Preventing or controlling diabetes will lower your risk. If you have diabetes, make sure to follow you and your provider’s treatment plan for controlling blood sugars.

- **Stop smoking.** Cigarette smoke and second hand smoke exposure increases the risk of heart disease and stroke. When you smoke it is not only harmful to you, but also to those around you. Your risk for disease decreases more the longer you abstain from smoking.

- **Limit alcohol use.** Excessive amounts of alcohol increases blood pressure, which increases the risk of heart disease, heart attack, and stroke. Use alcohol in moderation and always use alcohol responsibly.

- **Exercise regularly.** Get at least 30 minutes of moderate physical activity each week. Exercise keeps the body strong and contributes to healthy weight which lowers risk for heart disease. As always, consult your health care provider before starting any exercise regimen.

- **Eat healthy.** Eat smaller portions at meal time and choose nutritious, heart-healthy foods such as fruits and vegetables. Limit sodium and trans fats. Consult with your health care provider or a nutritionist for more heart healthy food options and nutritious food choices.

- **Reduce stress.** There are many ways to reduce stress. You can exercise, laugh, meditate, or even deep breathe. Getting the right amount of sleep also reduces stress. All of these stress reducers can help you reduce your risk of heart disease.

Ultimately, taking responsibility for your health is up to you, but there are programs available to assist you with making changes such as quitting smoking. Contact the Public Health Department for more information.

**It’s not too late to get a flu shot**

It is not too late to get a flu vaccine if you haven’t received one yet. Flu season peaks from December to February so now is as good a time as any to get your flu shot. Everyone six months of age and older should get a yearly flu vaccination. Contrary to popular belief, the flu shot DOES NOT give you the flu. The most common reaction to the flu shot in adults is soreness, redness or swelling at the spot where the shot was given and usually only lasts a couple of days. Protect yourself from the flu and contact your health care provider for an appointment or visit the Plus Care or Shawnee Extended Hours Clinics for a walk-in appointment today!

Heart Healthy Valentine’s Day Tips

➢ Gift a poem or handmade Valentine instead of sweets
➢ Give a fresh fruit basket instead of chocolates
➢ If you do receive sweets or chocolates, enjoy them in moderation
➢ Go for a long, romantic walk & make it a regular habit. 30 minutes of activity most days of the week is healthy
➢ Prepare a candle lit dinner at home using a heart healthy recipe, or try an old favorite recipe with healthy ingredient substitutions
➢ If eating out, order one entrée to share: Restaurant servings are often enough for two-splitting will keep you from overdoing it
➢ Consider sending heart healthy snacks to children’s school celebrations—even stickers, pencils or other inexpensive tokens instead of sweets

Your sweetheart may have the key to your heart, but eating healthy and being physically active can be the key to a healthier heart

LAND BUY BACK PROGRAM

The Department of Interior recently advised they are expanding their schedule for implementing the Land Buy Back Program and adding 63 additional locations for the period of 2018 through 2021. This program began making offers in 2013. It has paid over $740 million to individual landowners and restored the equivalent of nearly 1.5 million acres to tribal governments. This expansion brings the number of locations being planned for the program to 105. This total includes 96 percent of all landowners with fractionated interests and more than 98 percent of both purchasable fractional interests and equivalent acres in Program eligible areas. There are currently about 245,000 landowners holding approximately 3 million fractional interests across Indian Country.

The intent of the Buy Back program is to partner with tribal governments to stimulate new opportunities so that tribes can operate more efficiently, enter into community discussions and create plans that ensure lands stay in trust. The Program implements the land consolidation component of the Cobell settlement which provided $1.9 billion to purchase fractional interests in trust or restricted land from willing sellers at fair market value within a ten year window. If a fractional land interest owner decides to sell their fraction you will receive a payment directly into your individual Indian Money (IM) account. The lands purchased through this process are immediately restored to tribal trust ownership to benefit the community and tribal members. In the upcoming months a Program representative will be communicating with our tribe on the process and its implementation.

Our tribe is on the new expanded Program list and members with eligible fractional interests are encouraged to call the Trust Beneficiary Call Center (Call Center) at 888-678-6836 and indicate whether you are a willing seller and/or to update contact information. By registering as a willing seller it does NOT commit you to selling your land, nor will it guarantee an offer will be extended; it merely identifies your interest and assist in advancing planning. Individual landowners can contact the Call Center, Office of the Special Trustee or BIA office to learn more about your land and options available to you. You can also visit the Program site at: https://www.doi.gov/buybackprogram/programimplementation-schedule.

Augustine Spybuck Johnson

On January 6, 2017, the creator called home our beloved Augustine “Oogie” Spybuck Johnson. She was a wonderful and dedicated wife, mother, sister, grandmother, aunt, and friend. Our hearts are full of gratitude when we say many thanks to family members, friends and neighbors for the acts of kindness and sympathy: visits, food, service, and kind words spoken to our family. We want to express special appreciation to George Blanchard for his guidance, words of comfort, and caring during this difficult time. The family would also like to express their gratitude to Ike Gibson, John Johnson, Anthony Johnson, Duke Blanchard, Jane Werst, Judy Bender, Leonard and Serena Foreman, Meredith Wapakeche, Donna Butler, Mary Johnson, AST Maintenance Department, and many others who helped prepare food and continue on with our traditional rites. It was such a blessing to her and us to have so many helping hands. Augustine will always be remembered for her love of family and friends.

Department of Social Services
(405) 275-4030, Ext. 6225
Annette Wilson, Social Services

Education Department

The following are current programs administered by the Absentee Shawnee Tribe Education Department:

These are brief descriptions of current programs. Program guidelines are available in hard copy at the Education Department office or for download at www.astribe.com.

- **Academic (K-12) Program**: assists with academic related expenses, and a portion of funds can be used for school-related athletic program expenses. Program has a maximum funding limit for the academic year.

- **Zahn Program**: established from a trust fund, program can help with some graduation expenses, and awards two (2) incentives: one for GED recipients and one for High School graduates. Program has a maximum amount of funding for graduation expenses.

- **Job Training Adult Education Program**: funds for vocational training at accredited vocational institutions. Program has a maximum funding limit for the calendar year or per program.

- **Higher Education**: Education Incentive Award Program: funds for undergraduate degrees, one associate or bachelor degree, at any accredited college or university. Funding levels are determined based upon grade point average and full-time or part-time status.

- **Graduate Scholarship Program**: funds for one master’s degree or one doctoral degree, and can fund one graduate admissions test. This program has funding levels based upon full-time and part-time status.

- **Big Jim Youth Award Program**: annual incentive for High School Seniors for Academic Achievement and Athlete of the Year. Deadline for application submission is March 31st of each year.

All funding is based upon the availability of funds at the time of application.

**Attention:**

Applications for fall 2016 must be received or postmarked by June 15, 2016.

All applications and guidelines are available at www.astribe.com. Click on Services and select Education.

For more information, please call Tresha Spoon at (405) 275-4030, Ext. 6242 or 1-800-256-3341 or email to tresham@astribe.com.
The Absentee Shawnee Tribal Health System is happy to announce Mr. John McKinney, Shawnee Clinic Housekeeping/Maintenance, as the winner of the 2016 Health Employee of the Year Award.

Throughout the calendar year, health employees are nominated each month by fellow health staff, supervisors or even AST health patients for a “job well done”. An individual is selected out of the nomination pool and announced at each monthly town hall staff meeting. At the conclusion of the last year, all 12 Employee of the Month honorees were put to a vote by health staff, votes tallied and the winner was announced at this year’s January Town Hall meeting. Staff comments regarding Mr. McKinney’s achievement was “it was well deserved”, “it couldn’t have happened to a friendlier person” and “he always has a willing-to-help attitude”.

Congratulations John!

SMOKING CESSATION GROUP

Facilitator: Marvin Smith, LPC, LADC
Little Axe Health Center’s Behavioral Health Department (405)447-0300 or (405)701-7987

This service is offered on Tuesdays from 2:00 pm to 3:00 pm

Start date: To be determined (group dates are typically set once an adequate number of participants have signed up for services).

- Tobacco remains the leading cause of preventable death in the U.S.
- More than 16 million people have at least one disease caused by smoking.
- Smokers are 30-40 times more likely to develop type II diabetes that non-smokers.
- 5.6 million Children will die early due to smoking.

Course objectives:

- Understand the economical, medical, and social effects of cigarette consumption.
- Gain knowledge of why people engage in tobacco use.
- Establish personal consequences associated to your use.
- Develop and gain coping skills to facilitate a smoke-free lifestyle.

Thank You for Your Recycling Efforts

Thanks to all who participated in the recycling effort in 2016, OEH was able to collect over 6 tons of cardboard and over a ton of paper.

By recycling these materials, we have saved 6,440 kWh of energy, 16 barrels of oil, 93.6 million Btu’s of energy, 7,000 gallons of water, 60 pounds of air pollutants, 17 trees, and over 57 cubic yards of landfill space.

With a great effort we can make 2017 an even better year for recycling and saving our resources. Thank you!

Get the Party Started!

You can earn 10, 15, 20 percent or more in FREE Mary Kay products. (Based on the actual sales total and the number of bookings from your event to use toward your choice of Mary Kay products.)

Get a $40 gift of beauty. A good buy gets every woman’s attention, especially when she can get $75 in the Mary Kay products she loves for just $35 when she hosts a party. *Suggested retail

It’s all about you!
• Enjoy the personal attention.
• Receive a one-on-one consultation.
• Get skin care recommendations.

“Core ‘N More” - Core training mixed with strength and aerobic exercises to improve total body strength.

“Circuit Training” - A time efficient training system aimed at developing strength through pre-determined training stations.

“Cardio Kickboxing” - Aerobic training using kickboxing techniques to engage and strengthen the cardiovascular system.

“Tabata Interval” - A time-efficient aerobic training system aimed at burning calories and improving cardiovascular fitness.

Absentee Shawnee Fitness

Diabetes and Wellness
To my fellow tribal members,

My name is Phillip S. Ellis and I’m running for the Office of the Governor for the Absentee Shawnee Tribe of Indians of Oklahoma.

I was born November 28, 1962 as the first born son to Aileen (Little Axe) Ellis and Russell Ellis. My maternal grandparents were Frank and Edna Little Axe and my paternal grandparents were Charles and Joyce Ellis. I was raised in Shawnee, Oklahoma and I’ve been married for 23 years with one daughter, Kimberly (Absentee Shawnee). I served in the United States Marine Corps and was honorably discharged. I hold a BS from Arizona State University and an MS from the University of Tulsa. My past professional work experience has primarily been in public accounting (both audit and tax) and with Native American governments (both administration and accounting). I was recently approved to take the CPA examination in Oklahoma by the Oklahoma Board of Accountancy; which I intend to complete within 18 months. Personally, to stay in shape and active I practice free style martial arts and occasionally play golf. I’m a member of the First Indian Baptist Church of Cushing.

Since August 2016, I’ve been employed by our Tribe working as a Financial Analyst in the Finance Department. Working for our Tribe has been both rewarding and given me the opportunity to take an active role in participating in our Tribe. But more importantly, it’s allowed me to recognize the needs, challenges, and problems facing us both from an internal and external standpoint. For example, how do we as a group save, protect, and promote our culture and our language? Or where do we as a group stand in providing for our health care needs now and in the future? How do we fund our ever growing financial needs? Or how do we improve the collaboration and communication among our programs and departments to better deliver services to ourselves? How are we going to adjust to the changes that are sure to come under President Trump? The needs, challenges, and problems are too many to list.

I strongly feel that I have the background, ability, and leadership style to work in a collaborative effort to lead our Tribe going forward. Moreover, I can work with a variety of people and organizations, both internally and externally, and understands the complexities of the 21st century while appreciating the unique culture that we possess. I will, and expect those around me, to work within boundaries of the Constitution of the Absentee Shawnee Tribe of Indians of Oklahoma and any applicable law that governs us. While at the same time taking advantage of preferences afforded us under law as a Tribe to further the goals and objectives of our Tribe.

Can I do it alone? No; I need you. I need your input and ideas. We, as a people, need you and your input and ideas. Over the coming weeks I’d like to meet as many of you as possible in person and get to know you, and you get to know me. I’d like for you to hear my ideas. For those of you may not be able to meet me in person I’m on Facebook, LinkedIn, or just sent me an e-mail. Phillie28@hotmail.com. I’d love to hear from you.

Warm regards,
Phillip S. Ellis

Dear Absentee Tribal Members:

My name is Atheda W. Fletcher and I am soliciting your support in my pursuit of the position of Tribal Secretary. I decided to seek this office because I realize that our Tribe has come to a critical crossroad. It is the time for us to join together to ensure our Tribe remains viable, successful and above all, works together to determine how we want to achieve goals that will secure our Tribal’s future. My goal is to work diligently with our Tribal leaders to provide all of our Tribal Members more services and secure the future for our Tribal children and elders. Never has it been more important to elect a person who can represent your voice; someone who is willing to act in the Tribe’s best interest and bring a higher level of cooperation and management to the forefront. I believe that I am capable of meeting the challenge and I look forward to the work ahead.

A bit of history, my mother is an Absentee Tribal Member and her name is Martha Ellis Edwards. She is the daughter of Sargent Ellis and Anna Bullfrog. My mother and father honored tribal traditional, but realized that their children needed the ability to navigate both worlds; therefore, we were encouraged to seek higher education and training, and we did. My brothers, John Edwards, Lee Edwards and Glen Edwards, were strong supporters of our Tribe and served in various capacities.

My credentials include a Bachelor of Business Administration degree from the University of Central Oklahoma, Edmond, Oklahoma where I was successful in maintaining a high level GPA and a place on the President’s and Dean’s Honor Rolls. I was also given the Multicultural Student Services Certificate of Academic Excellence. I give credit to the Absentee Tribe’s Education Program for providing me with assistance in my educational pursuit. Without this assistance, I may not have been able to complete my education. It is this type service as well as others that I want to help preserve for our Tribal Members. I stand now to share my experience and skills with the Tribe.

My most recent professional experience included working for a Fortune 100 corporation for over ten years where I managed a multimillion dollar program and other high-level, high-value programs. My skill set well equips me with the ability to successfully manage the various programs that are the responsibility of the Tribal Secretary.

I joined the Thunderbird Entertainment Centers’ Board of Directors one year ago, and I am learning through this experience just how important it is to be proactive in the protection of our Tribal assets.

If elected, I will work diligent with tribal leaders to ensure that the Tribe realizes maximum benefit from our assets. I am committed to work solely in the best interest of the Tribe. My goal is to support and work closely with our current and hopefully future governor, Edwina Butler-Wolf. I know that Edwina and I will make it our top priority to build a stronger and more prosperous Tribe.

I ask that you cast your vote for me in March, 2017.

Athed W. Fletcher
Hello Absentee Shawnee Tribal Members, My name is John Soap and I am a candidate for the office of Governor of the Absentee Shawnee Tribe. To let you all know more about me, I am the grandson of William Lee Wilson and the great-grandson of Harry Aaron Wilson (Uck-ko-duh-stuc) and Gertrude Elephant Wilson (Nah-she-wah-bah-mah). I was born in Shawnee at Mission Hill Hospital just across the street from our tribal complex. I started my childhood here in Johnson, Oklahoma going to school at North Rock Creek and Earlsboro kindergarten thru 2nd grade. In the third grade I was going to school at Acme when my parents divorced. My mother moved to Oklahoma City and my father moved to Houston Texas. Later my mother moved to Tulsa and I spent most of my elementary school years at Concho Indian School but I did go to school in Houston, OKC, and Tulsa because sometimes I would rather be with my parents and I would go home to be with them for half a semester or so. I went to Sequoyah High School in Tahlequah and graduated in 1984.

After I graduated from Sequoyah I got married and started a family in Dallas, Texas. I lived in Dallas working for myself as a tile contractor. I always wanted to come back to Shawnee from the day my parents’ divorce was final when I was 8 years old. So I came back in 1996 and got a job right away working on the new cancer center at the then Shawnee Regional Hospital doing the tile work. I applied for Absentee Shawnee housing and was approved for a Mutual help home. My sons and I moved in November 1999. The AST Housing provided me my first stable home in my life, I am forever grateful. In 2005 I enrolled into Seminole State College, received my associates degree in 2007, went on to East Central University and received my bachelor’s degree in 2009, and then went on to Langston University and received my Master’s degree in 2013. The Absentee Shawnee Education Program assisted me all the way through my college education, I am forever grateful. I am fortunate to be able to give my Absentee Shawnee tribe a return on their investment. With the help of the Absentee Shawnee Health Systems, I am now a Licensed Professional Counselor (LPC) and most importantly, I am a billable provider for our clinic.

So as you can see the Absentee Shawnee tribe has helped me in the most positive way in my life and career. I love my tribe and I am very thankful for my tribe. With that said, I do not want to run a negative campaign. The Absentee Shawnee Tribe is a great tribe and we can even get better. We can do that with Teamwork in Leadership!!

Here is a snapshot at my resume.

- School Board member Shawnee Public Schools 2015-present.
- Outpatient Therapist LPC,CRC Absentee Shawnee Tribe 2014-present
- Director of Vocational Rehabilitation Cheyenne and Arapaho Tribes Feb. 2014-June 2014
- Vocational Rehabilitation Counselor Delaware Nation 2011 -2014
- Vocational Rehabilitation Counselor Cheyenne and Arapaho Tribes 2010-2011
- Self-employed Tile and Marble installer 1984-2010

As of press time, Media department has received many campaign letters from candidates, but in Media's communication with AST Election Commission NONE of background checks have come back.

Also We (Media) need either Campaign letters or articles in either word or pdf file to put in newsletter. We have received one letter from Andrew Warrior in a plain e-mail, we responded to Mr. Warrior, requesting such an file as of press time nothing was returned to us. It is up to candidates to write and submit letters for publication. It is not Media’s responsibility to produce campaign letters.

Thank You
Sherman Tiger
AST Media Director
baby teeth. When a cavity reaches the pulp (the nerve) inside the tooth, it enters the bloodstream and can cause an infection.

3 – Baby teeth allow the child to develop good oral hygiene habits. It is much easier to teach a child the right brushing and flossing habits when they are young than it is to retrain an older child who has had bad habits for years. I do think parents should use the time before their children’s permanent teeth come in to teach them how to take care of their teeth. This means brushing and flossing for them. Most children are not capable of properly brushing and flossing till age 9. This means as the parent or caretaker it is your responsibility.

4 - Unhealthy baby teeth can cause a child to have low self-esteem. The most common place for cavities in children is in between the front teeth. If a little boy or girl has to walk around with brown spots on their front teeth, it can make them self-conscious and decrease their sense of self-worth.

5 – They help children eat nutritious food.

We can’t stress enough the importance of taking care of your child’s baby teeth. Keep in mind that cavities are caused by bacteria, and tooth decay is a serious disease — One of the most common diseases in children!

Native Americans suffer from the poorest oral health of any population in the United States, with staggering rates of untreated tooth decay among children. This statistic is not here stay, if we have our way.

Join us in our quest to ensure every child has a Healthy Smile!!!

For more information or to make your child an appointment, please contact the Little Axe Health Center’s Dental Clinic at (405) 447-0300, Ext. 7964 because there’s no time like the present to make a child smile.

ATTENTION PARENTS:
FEBRUARY IS TEEN DATING VIOLENCE AWARENESS MONTH

What is teen dating abuse?
Teen dating abuse describes actual or threatened acts of physical, sexual, psychological, and verbal harm by a partner, boyfriend, girlfriend or someone wanting a romantic relationship. It includes violence between two young people in a current or former relationship and can occur among heterosexual or same-gender couples. It can also include using the internet, social networking sites, cell phones, or text messaging to harass, pressure, or victimize.

Conversation Starters:
Talking about teen dating violence to the youth in your life is vital. These conversations can begin in middle school.
What makes a healthy relationship?
What do you want in a relationship?
What are the relationships like that you have witnessed at school or among friends?
Have you witnessed any acts of violence?
Have you seen someone using Facebook or text messages to insult, monitor, or control any of your friends?
What would you do if you witnessed or experienced dating violence?
How could you help someone in an abusive relationship?
What is a healthy relationship?
Why is respect important to having a healthy relationship?

5 Facts about Teen Dating Violence
1. Roughly 72% of eighth and ninth graders are in a dating relationship.
2. According to the National Domestic Violence Hotline, an estimated 1 in 3 high school relationships involve some sort of physical, emotional, or sexual abuse.
3. Each year nearly 1.5 million high school students in the United States experience physical abuse from a dating partner.
4. Approximately two-thirds of teens in an abusive relationship never tell anyone about the abuse.
5. Nearly 4 out of 5 girls who have been physically abused continue to date their abuser.

ARE YOU OR DO YOU KNOW SOMEONE THAT IS GOING OUT WITH A PERSON WHO...
• is jealous, possessive, checks up on you or won't accept breaking up?
• tries to control you by being bossy, making all the decisions, has to have it his/her way all the time?
• screams, yells, puts you down in front of your friends, tells you that you are stupid or ugly?
• scares you, makes you wonder if you have done something wrong to make him/her react like this?
• is violent, grabs, hits, pushes, or shoves you?
• pressures you for sex or tries to force you into having sex?
• has a history of bad relationships and blames the other person?
• abuses alcohol or drugs and pressures you to take them as well?
• keeps you from seeing or talking with family and friends?

Early warning signs that your relationship may eventually become abusive:
• Extreme jealousy
• Controlling behavior
• Quick involvement
• Unpredictable mood swings
• Alcohol and drug use
• Explosive anger
• Isolates you from friends and family
• Blames others for his problems or feelings
• Cruel to animals or children
• Verbally abusive
• Uses force during an argument
• Abused former partners
• Threatens violence

For more information please contact the Absentee Shawnee Tribe's Domestic Violence Department. If you or someone you know says “yes” to ANY of the above or if you have any questions you may contact someone at 405-273-2888 for help.

Cyber Security

We may not realize that our actions online might put us, our families, and even our country at risk. Learning about the dangers online and taking action to protect ourselves is the first step in making the Internet a safer place for everyone. Cybersecurity is a shared responsibility and we each have a role to play.

Cybersecurity involves preventing, detecting, and responding to cyber incidents. Unlike physical threats that prompt immediate action—like stop, drop, and roll in the event of a fire—cyber threats are often difficult to identify and comprehend. Among these dangers are viruses erasing entire computer systems, intruders breaking into computer systems and altering files, intruders using your computer or device to harm others, or intruders stealing confidential information. The range of cyber risks is limitless. Threats, some more serious and sophisticated than others, can have wide-ranging effects on the individual, community, organizational, and national level. These risks include:

- Organized cybercrime, state-sponsored hackers, and cyber espionage can pose national security risks to our country.
- Transportation, power, and other services may be disrupted by large scale cyber incidents. The extent of the disruption is highly uncertain as it will be determined by many unknown factors such as the target and size of the incident.
- Vulnerability to data breach and loss increases if an organization's network is compromised. Information about a company, its employees, and its customers could be at risk.
- Individually-owned devices such as computers, tablets, mobile phones, and gaming systems that connect to the Internet are vulnerable to intrusion. Personal information may be at risk without proper security.

Before A Cyber Incident

You can increase your chances of avoiding cyber risks by setting up the proper controls. The following are things you can do to protect yourself, your family, and your property before a cyber incident occurs.

Only connect to the Internet over secure, password-protected networks.

Do not click on links or pop-ups, open attachments, or respond to emails from strangers.

Always enter a URL by hand instead of following links if you are unsure of the sender.

Do not respond to online requests for Personally Identifiable Information (PII); most organizations—banks, universities, companies, etc.—do not ask for your personal information over the Internet.

Limit who you are sharing information with by reviewing the privacy settings on your social media accounts.

Trust your gut; if you think an offer is too good to be true, then it probably is.

Password protect all devices that connect to the Internet and user accounts.

Do not use the same password twice; choose a password that means something to you and you only; change your passwords on a regular basis.

During a Cyber Incident: Immediate actions: Check to make sure the software on all of your systems is up-to-date.

- Run a scan to make sure your system is not infected or acting suspiciously.
- If you find a problem, disconnect your device from the Internet and perform a full system restore.
- Report the incident. Local Police or federal agencies may be able to provide assistance and investigate the incident.

At Home

Disconnect your device (computer, gaming system, tablet, etc.) from the Internet. By removing the Internet connection, you prevent malicious actors from being able to access your computer and perform tasks such as locating personal data, manipulating or deleting files, or using your device to harm others.

If you have anti-virus software installed on your computer, update the virus definitions (if possible), and perform a manual scan of your entire system. Install all of the appropriate patches to fix known vulnerabilities.

After A Cyber Incident

- File a report with the local police so there is an official record of the incident.
- Report online crime or fraud to your local United States Secret Service (USSS) Electronic Crimes Task Force or the Internet Crime Complaint Center.
- If your Personally Identifiable Information (PII) was compromised, consider other information that may be at risk. Depending what information was stolen, you may need to contact other agencies; for example, if someone has gained access to your Social Security number, contact the Social Security Administration. You should also contact the Department of Motor Vehicles if your driver's license or car registration has been stolen.

Exercise and Diabetes

Aerobic exercise is a great way to help control type 2 diabetes. Yet, you may not be reaping all the positive benefits of an effective type 2 diabetes exercise plan using just aerobic exercise. Aerobic exercise is terrific though—it can improve heart health and lower your risk for heart attack or stroke. However, strengthening your muscles is another important part of staying healthy when you have type 2 diabetes.

When you exercise with weights or other forms of resistance, it can be especially helpful for controlling your blood sugar. Resistance training also helps human skeletal muscles to become more sensitive to the body’s natural insulin. As you begin to develop more skeletal muscle your blood sugar levels may become less elevated. More muscle tissue may lead to greater glucose uptake and increased insulin sensitivity!

Resistance Training for Diabetes

When you perform strength exercises that target large muscle groups, your body uses glucose from your bloodstream to energize them. This helps clear out excess sugar from your system. Developed muscles also store excess glucose more effectively, and that helps regulate blood sugar, even when you’re at rest.

According to the Centers for Disease Control and Prevention (CDC), strength training also helps build stronger bones. Strength training promotes weight loss—an important goal for many with type 2 diabetes—because the more muscles you have, the more calories you burn.

Keep in mind that strength training is just one part of a well-rounded fitness program. In addition to strength training twice a week, the U.S. Department of Health and Human Services recommends that adults also get at least 150 minutes of moderate-intensity aerobic exercise, such as walking, jogging, swimming, or cycling, each week.

While both aerobics and strength training are helpful when you have diabetes, a long-term program of both produces the greatest health benefits for blood glucose management and weight loss.

Information provided by the AST Diabetes and Wellness/Fitness Program and www.everydayhealth.com
Aerobic exercise is a great way to help control type 2 diabetes. Yet, you may not be reaping weight loss. Engaging in regular aerobic exercise, such as walking, jogging, swimming, or cycling, each week is recommended. In addition to strength training twice a week, the U.S. Department of Health and Human Services recommends that adults also get at least 150 minutes of moderate-intensity activity. Keep in mind that strength training is just one part of a well-rounded fitness program. In fact, the more muscles you have, the more calories you burn.

Exercise and Diabetes

Increased insulin sensitivity! Resistance training for diabetes.

To greater glucose uptake and blood sugar levels may become less elevated. More muscle tissue may lead to increased insulin sensitivity and help clear out excess sugar from your body. Resistance training also promotes weight loss — an important factor in managing diabetes, because the more muscles you have, the more calories you burn.

Excess glucose more effectively, and helps clear out excess sugar from your body. Resistance training also helps build stronger bones. Strength training also helps build strength training.

The Tribal Housing Improvement Program's goal is providing sanitary, safe, and decent housing for its members by utilizing the following criteria to select the most "in need" applicants. So come out and eat and/or visit Nellie Tiger Maxwell's memorial dinner.

THE OFFICE OF ENVIRONMENTAL HEALTH & ENGINEERING (OEH&E)

The principal role of OEH&E is to raise the health status of our tribal members to the highest possible level by providing services in the area of water and wastewater.

The services we provide are: new water wells, renovation of a water well, new city or rural water connections, replacement of city or rural water service lines, new wastewater septic systems, renovation of septic systems, new city sewer lines, renovation of city sewer lines and water treatment systems as needed. We are not funded to perform annual pumping of septic tanks. That service is considered part of home maintenance.

If you are having water or wastewater issues or building a new home and need services please come by our office and fill out an OEH&E application for assistance.

If your home is under the management of any housing authority and has not been paid off, you do not qualify for assistance. Applications for this program are available online at www.astribe.com and at the OEH&E building.

OILS

Oklahoma Indian Legal Services will be at the Tribal Court House, Bldg. #3 each month on the 2nd Thursday from 9am-12pm.

Oklahoma Indian Legal Services (OILS) is a nonprofit organization that provides free legal services to low income Native Americans in Oklahoma. To be eligible for services you must fall within OILS income guidelines.

Little Axe Chamber of Commerce
Hosting Forum, “Meet the Candidates for Ward 5”
Hosting the Forum will be Little Axe Chamber of Commerce Members

Moderator: President, Michael Ridgeway

Where: Norman Community Center 1000 168th Ave. NE Norman, OK
What Day: February 2, 2017
Time: 6:30 pm to 8:30 Refreshments will be provided by Chamber
Community Center Facility Phone Nr: 405-292-9770
Candidates: Sereta Wilson, Phillip Hillian & Incumbent James Chapel are running for Ward 5

There was a Candidate Forum on Thursday Jan. 19, 2017 by 21st Century Senior Group the first forum. A Second candidate forum hosted by the League of Women Votes is scheduled for Jan. 30 and the third and final candidate forum hosted by The Transcript is scheduled for Feb. 8, 2017 at 6 pm. But those forums will be for all Wards that are having Elections which is Ward 1, 3, 5 & 7. So our forum will be to address the three candidates that are running for Ward 5 which encompasses Lake Thunderbird area, Little Axe Schools and the surrounding rural communities.

What do you think are the most important concerns of the residents of Ward 5? How can the City of Norman address those concerns? The following six (6) questions will be asked of the three candidates:

1. Getting information to and from residents of far east Norman is a challenge. The Norman Transcript is generally not delivered to homes out here. Cox Cable is not available, and there are a significant number of homes that still do not subscribe to Internet service. What would you do to keep these constituents informed, and how would you solicit input from them?

2. What do you think about periodically holding City Council meetings or study sessions somewhere other than the Council Chambers, such as in various wards?

3. The Little Axe community is a checkerboard of Native American jurisdiction. Are there ways in the City could do a better job of reaching out to cooperate and create government-to-government partnerships with sovereign entities such as the Absentee Shawnee Tribe and the Citizen Potawatomi Nation?

4. The City of Norman is currently working on a Comprehensive Plan to guide its future growth. In the December draft objectives, the City commits to partnership with Norman Public Schools, Moore Norman Career Tech, and the University of Oklahoma. Do you think the City should add a commitment to partner with Little Axe Public Schools? Why or why not?

5. The City has been struggling to find a solution to stormwater management. A recent proposal to create a stormwater utility was voted down, 71 percent against and 29 percent in favor. In Ward 5, there was considerable opposition, in part because rural residents would have been required to pay large fees for their gravel driveways, while residents in city neighborhoods would pay an average of less than $6 per month. The City’s leaders stress that the problems of erosion, chemicals washing off of yards, and the silting and pollution of Lake Thunderbird will need to be solved soon. What do you see as possible solutions that you would support? How would you sell those solutions to the citizens of Ward 5?

6. There may be times when your personal opinion on an issue differs from the opinion of a majority of your constituents. How will you handle that when it comes time for the Council to vote?

So if you live in Little Axe and concerned with the fact the City of Norman often makes plans that doesn’t really take into consideration whether or not is beneficial to Ward 5. Plan on coming and asking some questions of your own.
Office of Environmental Health
Brownfield Response Program

What is a Brownfield?

The EPA defines a brownfield site as “...real property, the expansion, redevelopment, or reuse of which may be complicated by the presence or potential presence of hazardous substances, pollutants, contaminants, controlled substances, petroleum or petroleum products, or is mine-scarred land.”

Do you possibly have a Brownfield site on your land?

Typical Brownfield Sites Include:
- Abandoned Factories/Buildings/Homes
- Burned Homes
- Buried Dump Sites
- Open Dump Sites
- A Large Amount of Tires
- Former Cattle Dip Pit Sites
- Barrels of Unknown Substances
- Old Service Stations
- Oil Storage Facilities
- Oil/Gas Well Sites
- Old Dry Cleaning Businesses

If it's possible that you have a Brownfield site on your property, or if you know of a possible Brownfield site, please contact:

The Community Market of Pottawatomie County is a food Bank in Pottawatomie County. It is a Food Resource Center that operates in cooperation with the Regional Food Bank of Oklahoma to serve the people of Pottawatomie County. They also partner with other food pantries, community, civic, and faith-based organizations. This food pantry allows clients to choose the foods they want so that they take only what they need – making more efficient use of food resources. The center also stocks a variety of food, including fresh fruits and vegetables, and will connect clients with other social services in the community, such as healthy cooking classes.

THE COMMUNITY MARKET HAS EXPANDED HOURS OF OPERATION TO BETTER SERVE HUNGRY RESIDENTS IN GROCERY-STORE LIKE SETTING. HOURS OF OPERATION ARE MONDAY 12:30 TO 5:30 P.M.; TUESDAY FROM 10:00 A.M.; WEDNESDAY FROM 10:00 A.M. TO 3:00 P.M. AND FRIDAY FROM 10:00 A.M. TO 3:00 P.M.

According to AARP’S Oklahoma Hunger Survey, nearly half (47%) of adults in Pottawatomie County have someone in their household who has struggled with hunger, and two thirds (66%) say someone close to them had inconsistent access to food.

LOCATION: 120 S. CENTER (SHAWNEE)

EMERGENCY AND URGENT CARE SERVICES

CHS for a currently enrolled AST member who resides in the defined catchment area and needs emergent or urgent care.
1. Call the On-Call nurse at 405.447.0300, option 9 for triage.
2. Notify CHS on the next business day or within 72 hours after your ER visit. Notification does not assure authorization of payment. However, if you do not notify CHS within 72 hours, your bills will not be paid.
3. For AST members with no insurance, evidence must exist that your visit was medically necessary. Medical priorities have been established for determining which referrals can be authorized for payment.
4. For AST members with insurance, evidence must exist that a third-party resource has made the determination such services were “emergency care” or “urgent care.” Such evidence may include payment from private insurance.
5. In the event that you receive a bill from a provider, please provide a copy to CHS. You may leave bills at the Little Axe Health Center or Shawnee Clinic CHS office.

CHS for a currently enrolled AST member who resides in the defined catchment area and has Medicare or private insurance.
1. To complete existing CHS patient updates, please visit Patient Registration at either the Little Axe Health Center or Shawnee Clinic during regular hours of operation.
   - For new AST tribal members, to become established for CHS services, please make an appointment to see the New Patient Coordinator/PBA at either the Little Axe Health Center or Shawnee Clinic during regular hours of operation.
   - Notify CHS at least 48 hours prior to appointment date for a Coordination of Benefits (COB) to be sent to the provider.
   - Inform provider/health facility that AST CHS is a secondary payer/payer of last resort.
   - In the event that you receive a bill from a provider, please provide a copy to CHS. You may leave bills at the Little Axe Health Center or Shawnee Clinic.

CHS for a currently enrolled AST member who resides in the defined catchment area and does not have insurance.
1. You must apply for all resources available to you, such as: Medicaid, Medicare, Worker’s Compensation, Vocational Rehabilitation, auto insurance and other personal injury or liability coverage. CHS staff and/or Patient Benefit Advocates can assist you with the application process for alternate resources. Failure to exhaust available or potentially available alternate resources may result in denial of payment.
2. To complete existing CHS patient updates, please visit Patient Registration at either the Little Axe Health Center or Shawnee Clinic during regular hours of operation.
   - For new AST tribal members, to become established for CHS services, please make an appointment to see the New Patient Coordinator/PBA at either the Little Axe Health Center or Shawnee Clinic during regular hours of operation.
3. You must utilize the services provided within AST health clinics prior to being referred out.
4. Referrals for outside services must be sent to CHS. Services must be medically approved by an AST Health provider and/or CMMR Committee.
5. An appointment will be scheduled, and a COB will be sent to the outside provider.
6. In the event that you receive a bill from a provider, please provide a copy to CHS. You may leave bills at the Little Axe Health Center or Shawnee Clinic.

Iowa Tribe of Oklahoma Vocational Rehabilitation Program

“See the Person Not the Disability”

History:
The Iowa Tribe of Oklahoma Vocational Rehabilitation Program has provided vocational services to American Indians since 1994, and transition services to students since 2009. Our goal is to develop and provide specialized services to American Indian students with a disability. We want to help these students that are making a transition from high school to work or who are seeking post-secondary education.

Services That Can Be Provided:
Depending on an individual’s needs and goals, will determine which services are best for you. However, some services that we can provide include testing fees such as SATs & ACTs, assistive devices, evaluations, and various other services.

Qualifications:
Must be an enrolled member of a federally recognized tribe, a junior or senior in high school, and must reside in one of the seven counties served by the Iowa Tribe Vocational Rehabilitation Program. You must also provide documentation of your disability and this can include a doctor’s statement or the IEP or 504 plan from your school.

Counties We Serve:
Kay, Noble, Pawnee, Payne, Pottawatomie, Lincoln, and Logan

ONLINE PATIENT PORTAL
for our Little Axe Health Center and Shawnee Clinic

Need to schedule an appointment? Ask a question? View lab results?
Now, Little Axe Health Center and Shawnee Clinic patients can connect with their health records and care providers via our real-time, secure patient portal. Go to www.asthealth.org/patient-portal to register.
For more help, call your clinic, and we’ll walk you through it.
Native American youth are facing a crisis. These children are being removed from their homes and placed into the child welfare system at rates much higher than any other population. Native American children are often placed in homes outside of their families, tribes, and Native American culture and all this contributes to significant social problems. The story of Native American people is a complicated one marked by significant trauma and atrocities. Often times this trauma consisted of the removal of abuse which happened to these young and vulnerable children in many of these schools resulted in overwhelming intergenerational trauma and unresolved grief. This trauma which interrupted the ability to parent has led directly to the most current social problems that plague Native American communities today including alcohol/drug abuse, domestic violence, child abuse, sexual abuse and parenting deficiencies. All of these problems have contributed to the break-down of the family unit, leading to the removal of large numbers of Native American youth from their families. The journey of healing and breaking the cycles which have been put in place by the historical trauma experienced by generations of Native Americans requires that the cultural identity for so long denied to these children be returned. Native American youth have two distinct influences, that of their family of origin and that of their caregivers. Absentee Shawnee Tribal Foster Care is in need of homes for children that are in our child welfare system. Your participation in being a foster parent helps to ensure that these children have positive connections to their culture. This interaction helps these children nurture a positive sense of identification as a Native American. By being willing to do this, you can be a valuable part of the healing journey that will help strengthen this next generation of Absentee Shawnee children; in turn, helping those children become the parents that their children will need them to be. Our children are our future, what will we have our future be?

**Absentee Shawnee Tribe Child Welfare**
405-878-4702 (ext. 133)

A Foster Care Worker works in conjunction with Tribal Courts, Tribal Law Enforcement, Bureau of Indian Affairs, and other county services. Indian Child Welfare’s goal is to ensure the safety of our tribal children when they placed in foster care. The homes that our tribal children are placed in must complete Child Welfare Background Check, OSBI Background Check, Income Verification, Home Study, and a Physical. Our AST foster homes are licensed by our Foster Care Committee.

**Foster Care Payments are as follows:**

- **0-5 age $14.73 day $441.97 month**
- **6-12 age $17.12 day $513.57 month**
- **12 and over $19.30 day $579.13 month**

**IN ORDER TO RECEIVE PAYMENT, ALL THE ABOVE MUST BE MET AND TURNED IN TO THE STATE. ONCE PROCESSED STATE PAYMENT WILL BE ISSUED.**

This is just a little information on what type of work a foster care worker performs on a daily basis. If you are interested in becoming a foster home, please call 405-878-4030 ext. 133.
Here for you, now more than ever.

EXTENDED HOURS:
5-9 p.m. Monday - Friday
9 a.m.-5 p.m. Saturday

A child with a high fever. An ear infection. Flu. A blood sugar spike or fall. To take better care of you, Shawnee Clinic is now open extended hours on weeknights and additional hours on Saturday. We ask for your respect in understanding that these times are for people who need acute care immediately, not routine medical care. Last walk-ins will be accepted at 8:30 p.m. weekdays and 4:30 p.m. Saturdays.

Shawnee Clinic provides quality health care for people in our community. Sensitive, trusted, compassionate. You are at the heart of what we do.

Last appointment – 8:30 p.m., Monday–Friday
Last appointment – 4:30 p.m., Saturday, Sunday & Holidays

Minor illnesses and injuries—an earache, a sprain, the flu—can sneak up on you. That’s why PlusCare provides medical services for non-emergency conditions on a same-day, no-appointment necessary basis. PlusCare is available to AST tribal members and other IHS-eligible Native Americans who are ages two years and older.

At PlusCare, we’re dedicated to providing high-quality, clinic-based health care to members of our community. On evenings. On weekends. This is all for you.
