## Happy Heart Month

The month of February is known as American Heart Month.

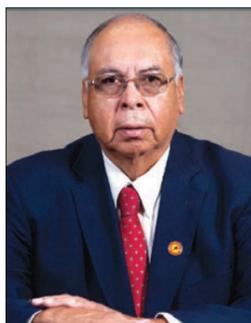

According to the World Health Organization, cardiovascular diseases are among the leading causes of death. Decades of research has revealed several, and sometimes surprising, links between coronary heart disease and mental illness. It has even been suggested that both may actually cause one another (DialoguesClinNeurosci.2018). In this brief article we will visit the idea often times referred to as the Head- Heart Connection and look at the impact of depression on the heart.

The existence of depression with people with cardiovascular disease is threefold higher than that of the general population (The American Journal of Medicine 2016). More than 300 million people of all ages suffer from depression worldwide and the disease is expected to become the leading cause of disability by 2030 (DialoguesClinNeurosci.2018). Depression is also common in people who have angina (chest pain) and can increase the risk of

developing myocardial infarction, stroke, sudden death and atrial fibrillation. The relationship between depression, anxiety and cardiovascular disease is bidirectional. In other words, depression and anxiety can increase your risk of developing cardiovascular disease and cardiovascular disease can increase your risk of developing depression and anxiety (American Journal of Medicine 2016). The American Heart Association has concluded

### Treasurer's REPORT

Phillip Ellis  
AST Treasurer

To All,

Again, I originally had a monthly newsletter prepared but due to the AST Supreme Court ruling on January 17th my newsletter article may not be helpful or valid. Hopefully, some stability will emerge due to the ruling. On a side note, the preliminary steps have begun for the 2019 audit and will be completed in a timely manner.

I have been continually asked about the status of the release

of the forensic audit performed by REDW, LLC and the Federal Bureau of Investigation (FBI) investigation at Thunderbird Express (the convenience store). I spoke recently with the FBI special agent in charge of the investigation and he mentioned that more than likely no federal charges will be filed. It appears that at minimum, gross incompetence and gross mismanagement are at the heart of the closure of Thunderbird Express that occurred from February 2017 through May 2017. I have spoken with the Tribe's AG and he has cleared the release of the forensic audit which I will do this month.

Treasurer Phil Ellis

## VACCINES FOR TEENS

Keep your adolescent vaccinations up to date

Kids grow out of many things, but vaccines aren't one of them. Every year in the U.S., 2.5 million people die from vaccine-preventable diseases. Because adolescents are at risk for many of these serious diseases, immunization is especially important. Ask your healthcare professional about all recommended vaccines to protect your child.

### Remember the 4

- **HPV (Human papillomavirus)**—The vaccine is most effective at preventing associated cancers for both boys and girls when given during preteen years.
- **Meningococcal**—Two types of meningococcal disease vaccines protect against the most common serogroups. Teens should start the ACWY vaccine at 11–15 years old, with a booster dose between 16 and 18 years. They may also get the serogroup B vaccine at 16-18 years of age.
- **Tdap (Tetanus, Diphtheria, and Pertussis [whooping cough]) and Td Booster (Tetanus and Diphtheria):** Adolescents should receive a Tdap vaccine between the ages of 11-12. Regular boosters of Td vaccine are recommended every 10 years to protect those at risk.
- **Flu**—Flu season typically starts in October, and the virus can mutate each year. Annual vaccination is recommended.

### Did you know that in the U.S.:

- 14 million people are infected with human papillomavirus (HPV)—mostly teens and young adults—leaving them vulnerable to associated cancers later in life?
- 21% of all meningococcal disease cases are preteens, teens, and young adults, ages 11–24?
- Up to 200,000 people are hospitalized annually due to flu-related complications?
- There were an average of 200,000 cases of pertussis each year before the Tdap vaccine was available, and since then, cases of the disease have decreased more than 80%?

### 80% decrease

### CDC-recommended vaccinations for adolescents:

AGES	Every year	flu vaccine
11-12 years	<ul style="list-style-type: none"> <li>• HPV (2 doses)</li> <li>• Meningococcal ACWY</li> <li>• Tdap</li> </ul>	
13-15 years	<ul style="list-style-type: none"> <li>• Meningococcal ACWY (if not previously vaccinated)</li> </ul>	
16 years	<ul style="list-style-type: none"> <li>• Meningococcal B*</li> <li>• Meningococcal ACWY booster</li> </ul>	
17-18 years	<ul style="list-style-type: none"> <li>• Td booster every 10 years</li> </ul>

## Greetings Tribal Members:

As we begin another year, I wish to thank all of the valuable tribal members and employees who work hard for the growth and progress of our Absentee Shawnee Tribe. My desire is that this New Year becomes a year of better performance and progress for our various tribal ventures and undertakings. Hard work and dedication is the reason behind any tribe's success and growth. I look forward to more success stories to write and new accomplishments that I can achieve for the tribe. I am currently working on new goals with

each of my departments for which I have oversight responsibility. As we progress through the year, I will report our progress and achievements.

Due to the office closures for the holidays, my business report will be a little shorter than usual. Following are some of my activities:

- Attended TEC Board Meetings. I am pleased to report that the casinos' operations are performing well and revenue is steadily increasing. Thanks to the TEC Board of Directors, Casino Management and Casino Staff for a good 2019 performance.
- Attended Gaming Commissioners Meeting. The Gaming Commission is functioning well under the guidance of Gaming Commissioners,

James Stuart and Roy Larney. As the Gaming Commission wraps up 2019, the staff will be making a list of all the items that need to be completed to close out the year and gearing up for 2020. I will be meeting shortly with the staff to go over the goals for 2020.

➤ I have taken on the responsibility of the VITA Tax Service Program for tax year 2019. The tax service is free of charge to our AST members, AST employees and widows/widowers of AST members. I thank all the volunteers who have committed their time to help with this important project.

➤ Several weeks of work were involved in working with my direct report directors on the preparation of the 2020 budgets. The budget process is challenging, but the directors did a fine job in analyzing, comparing and evaluating their actual results in order to develop the New Year's budgets. Several meetings have been held with the Finance Department to discuss and finalize the budgets.

➤ I continue to support and attend the Elders Council meetings each month. It was great fun and fellowship to work with many of the Elders when we assembled the Christmas Baskets. I have also been appointed to the Elders Committee to perform the 2019 audit. Also, the Elders Council Officers have been diligently working on the AARP Elders Honorees Photograph Project and it is close to conclusion. These photographs will be displayed at a selected location soon.

➤ As usual, I continue to support and participate in the Patient Family Advisory Committee during 2020.

➤ I continue the work on the proposed Assisted Living Project with the committee. Current activity is working on the completion of application forms and other information that is required to obtain USDA financing for construction. This application is a long and laborious process. I hope to have more to report in the coming months.

**Cultural Preservation:** I am pleased to announce that we have a new Director of Cultural Preservation (CP). Carol Butler comes to this department with a vast amount of Cultural Preservation experience. Carol holds a Bachelor of Science Degree from the University of Oklahoma and she holds several Professional Certificates that enhances her skills for the work required in the CP arena. Carol has hit the ground running and is available to answer any questions or listen to any suggestions that you may have regarding our Cultural Preservation Department.

**Human Resources:** Under separate article, the HR Director will provide a detailed report for this month.

**Youth Camp:** Construction on the Youth Camp continues to make progress. All of the dirt work for the concrete pads where the bath house and cabins will sit is complete. Pouring of the concrete pads is scheduled to begin shortly. In conjunction with this work, work on the roads, parking lot and area around the building will commence. Plumbing work and preliminary work on the entry and fence will also begin shortly. Dirt work on the lagoon has also been completed. In conclusion, my personal goal for 2020 is to deliver significant value for our tribe and tribal members for years to come. As many of you know, I am re-running for the Tribal Representative position. I hope to continue my hard work on the various projects and positive impact I have had on the tribe. While this past year was very difficult for me both personally and professionally, my deep passion to see our tribe become stronger and drive towards progress continues to drive my spirit. I am excited to begin 2020 and I am excited about the tribe's future.

**Quote:** Cheers to the New Year and another chance for us to get it right!

# Child Care Development Fund (CCDF) Programs

Happy New Year to all! The CCDF Programs are excited to be back in the swing of things for 2020. The 2020-2022 CCDF Plan Preprint started on 10/1/19 and will continue until 9/30/22. This is a three year plan in which we will become fully compliant with the CCDBG Act of 2014. The CCDBG Act of 2014 regulations fall into four major categories to include: Protect the health and safety of children in care; help parents make informed consumer choices; provide equal access to stable child care for low-income children; and enhance the quality of child care. This plan has been provisionally approved by the federal Office of Child Care and has been posted on the AST website for everyone to see. We will also have plans available in our offices if you would like a hard copy.

We would like to remind Tribal Members in need of child care of our license-exempt Relative Home Provider care type. As stated in a previous newsletter, on October 1, the CCDF Subsidy Program added a new child care provider type to help AST Child Care Subsidy families. Approved families will have the option of choosing a Relative Home Provider for their child care needs. In the past a relative provider had to be OKDHS licensed. Starting Oct. 1, Relative Home Providers are exempt from having an OKDHS license but must be tribally licensed for child care. Relative Home Providers will provide care for children they are related to and do not reside in the child's home. RHPs will be approved and tribally licensed based on their application, passing a background check and home inspections. RHPs will have to meet certain guidelines and follow tribal standards for care including child to provider ratios. RHPs will also be subject to monitoring visits and best practices through AST Licensing and Monitoring guidelines. We will have the application and guidelines on the AST Website under the Services/Childcare page. Applicants who wish to utilize the RHP will need to be eligible for AST Child Care prior to RHP approval. Please contact me or LaNora Buswell, CCDF Specialist, if

you have any questions. We are still accepting applications for families who may be interested in child care assistance and cannot get assistance through OKDHS. Children must have their own CDIB cards or letters of application to a federally recognized tribe. Applicants can choose which child care provider that best fits their child care needs such as a Tribally Operated Center, Non-tribal Center, family home provider or relative provider. One of the other changes with the new Plan Preprint is that families seeking child care assistance no longer need to get a denial letter from OKDHS, they can come to us first. The application and information regarding subsidy and provider selection can be found on the AST Website under Services/Child Care. We also offer a three (3) month job search for families who may be experiencing a loss of employment but still have child care needs. Families will need to reside in the AST CCDF Service area of Cleveland, Oklahoma, Pottawatomie and McClain counties. They can choose any DHS licensed provider or seek enrollment with one of our AST Building Blocks Child Development Centers.

The After School Program is still operating and we are excited to start a new semester. We currently have no openings but we are taking waiting list applications if any spots should come available. Please contact us if you have any questions.

Our goals through the CCDF grant, Building Blocks enterprise and the After School Programs is to provide quality child care to Native and non-native children in our communities. We do this by our innovative ideas on curriculum and staying abreast of all training and requirements to maintain higher levels of care. We strive to be the best and be better than the best every day.

If you are interested in any of these programs or have any questions please feel free to contact me at the number above or by email, briana.ponkilla@astribe.com. Ni yi wa! (Thank you) Briana Ponkilla

**After School Program**

AST After School Program (AST ASP) is a tribal entity of the Absentee Shawnee Tribe. AST ASP was developed with the after school needs of the community in mind. This program is made possible with a grant from the AST Child Care Development Fund (CCDF). AST ASP offers planned and self-directed activities that allow children to socialize with peers, explore their creativity, gain independence, and acquire self-assurance in a relaxed and comfortable atmosphere. The Center accepts children age five (5) up to the age of thirteen (13) years old. With regards to public school enrollment, children enrolled in or through with Kindergarten will be accepted. Please contact us for more information or visit the website.

**Child Care Subsidy Assistance**

The CCDF Subsidy program allows Native American parents the opportunity to seek quality child care while they are employed full-time or attending school up to a bachelors degree in a full-time program with the goal of full-time employment. The purpose of this program is to maintain compliance with the CCDF guidelines and ensure the proper use of funds. The applicant has the ability to choose a provider that fits their child care needs. They may also enroll in one of our Tribally Operated Centers, Building Blocks CDC, if they have space available. Please contact us for more information or visit the website.

**Building Blocks Child Development Center II - Shawnee**

Building Blocks CDC is a child development center with our primary focus being the growth and development of your child including their mind, physical attributes and emotional well being in a positive learning environment.

Building Blocks CDC is located on the Absentee Shawnee Tribal complex. Our hours are from 7:00 am to 6:00 pm. We are a curriculum based facility licensed for 90 children. We accept children ranging from the age of 6 weeks old to 5 years of age. Teachers are required to prepare a curriculum based lesson plan on a weekly basis introducing a new theme and activities. We offer a variety of activities for our children including individual developmental goals. Building Blocks CDC is equipped with a safe room located within our facility as well as monthly fire drills and quarterly tornado drills so we are prepared in an emergency situation.

**Building Blocks Child Development Center III - Little Axe**

Building Blocks main goal is to provide each child with a safe environment as well as a hands-on experience to learning about our surroundings, environment and family values.

Building Blocks CDC III is located in Little Axe at 16051 Little Axe Drive, next to the AST Health Complex. Our hours are from 7:00 am to 6:00 pm. We are a curriculum based facility licensed for 100 children. We accept children ranging from the age of 6 weeks old to 5 years of age. Teachers are required to prepare a curriculum based lesson plan on a weekly basis introducing a new theme and activities. We offer a variety of activities for our children including individual developmental goals. Building Blocks CDC is equipped with a safe room located within our facility as well as monthly fire drills and quarterly tornado drills so we are prepared in an emergency situation.

**Coming Soon: License Exempt Family Home Providers**

**Starting October 1, 2019, AST CCDF Program will begin to accept applications for License Exempt Family Home Providers. Eligible FHPs will be able to care for family members who meet the AST Child Care Subsidy qualifications for children who are not living in their homes. FHPs will need to have certain guidelines/policies in place, such as health and safety, first aid & CPR, culturally appropriate environment, home inspection and pass a background check to include fingerprints. FHPs will be paid the daily rate equivalent to a One Star DHS licensed home provider.**

# Happy Heart Month

that depression can also accelerate atherosclerosis as well as promote the onset and severity of the coronary risk factors of diabetes, hypertension, and high level of low density lipoprotein (The American Journal of Medicine 2016).

The importance of knowing and understanding the connection between the head and heart, stresses the significance of taking care of our minds and bodies to the best of our ability. Appropriate treatment improves long-term cardiovascular health as well as mental health which will also increase quality of life.

If you have cardiovascular (heart) problems please continue to see your medical physician and follow his or her instructions for treating cardiovascular issues.

If you have depression, please see a mental health provider for the appropriate treatment to address your needs. Remember addressing the Head-Heart Connection is vital to improving our health.

## Building Blocks III Child Development Center

Currently Building Blocks has 32 children enrolled and 5 more with expected start dates. We do have openings for children 3, 4, and 5 years of age, please contact us at (405)360-2710 or swing by for a tour. We are open 7am – 6pm, Monday thru Friday. We have 17 staff members and we are looking to expand our team more. If you are interested, please apply at [astringe.com](http://astringe.com) or pick up and application at our center.

In the month of January, we welcomed 3 new children and 2 new staff members. All staff members attended a formal training on Saturday, January 25<sup>th</sup> with multiple classes. These trainings provide teachers with the skills needed to have a happy healthy classroom. We plan on attending another training in the upcoming weeks on our new classroom curriculum. This curriculum will excel learning with developmentally appropriate and engaging lesson plans for teachers and children. We are looking forward to providing a bright future for our community.

## ASTHS February 2020 Monthly Updates

This year is shaping up to be another exciting year with programs, community events, and other wonderful health and wellness efforts for the tribe! February is another opportunity to highlight cardiac health and healthy heart awareness within our health programs for our patients and the community, as we also celebrate Valentine's Day this month. Please ensure you are getting your annual checkup in the new year as well as taking your prescribed medications, maintaining appropriate diet and exercise – be here for your family and everyone else who depends upon you by taking good care of yourself! We are working closely with the Title 6 Meal program to increase collaboration and improve service delivery by integrating a more holistic approach between our health programs, grants, and the tribe. We will keep everyone update on this important effort of collaboration between the programs we continue improved services and process improvements together.

Please continue to use your flu precautions as we are in another rough flu season this year as well as the possibility an extended flu season this year. Flu Strain "B" appears prevalent this year, and is best fought with good general hygiene (hand washing and staying home when sick) as well as a flu immunization vaccine.

If you know of any tribal member who is homebound and needs assistance medically, including home health services, please contact administration at (405) 701-7621 so we can assist as best possible with resources or coordinate assistance for these members in need. Thank you all for making our entire staff and employees feel appreciated and for using all of our wonderful services!

The employees of the health system make a difference everyday! Thank you all for making an important difference in the lives and health of all of our health system's patients! Next month we'll announce the Employee of the Year for 2019, as voting is ongoing now.

# AST Education Department: Big Jim Youth Awards

We will begin taking applications for the 2019-20 Big Jim Youth Awards on January 1, 2020. High school seniors of both genders within the 50 United States are eligible to apply for these awards for the 2019-2020 school year. Applications will be accepted from January 1 to March 31, 2020 by US mail or email, official transcripts must be mailed. The official application form will be available in December 2019 at [www.astribe.com](http://www.astribe.com) under the Education Department. The \$1,000.00 award is in the form of a scholarship to the college or university where the award recipient will attend for the fall 2020 semester. The scholarship must be used for the fall 2020 semester.

We will begin accepting applications for the following awards:

- Big Jim Academic Achievement Award (Male and Female)
- Big Jim Athlete of the Year (Male and Female)

Individuals are encouraged to nominate deserving high school seniors. You may nominate yourself. Please refer to the application for required documents. Eligible nominations will be judged by a panel of (non-AST) experts assembled specifically for this purpose. The intent is to bring together an unbiased group

of experts to evaluate the applicants in an impartial and unbiased environment. Their decisions are final with respect to all matters concerning these awards. Awards will be announced in May/June 2020.

## We encourage ALL Absentee Shawnee High School Seniors to apply.

Award recipients will be recognized as the 2019-2020 Big Jim Academic Achievement Award winner or the Big Jim Athlete of the Year. In addition to this recognition the award recipients will receive a **\$1,000.00** scholarship to be used towards their education and the advancement of their career.

**SHAWNEE CLINIC (BLDG. 17)**  
Our phone numbers have NOT changed.

### EMERGENCY AND URGENT CARE SERVICES

PRC for a currently enrolled AST citizen who resides in the defined catchment area and needs emergent or urgent care.

1. Call the On-Call nurse at 405.447.0300, option 9 for triage.
2. Notify PRC on the next business day or within 72 hours after your ER visit. Notification does not assure authorization of payment. However, if you do not notify PRC within 72 hours, your bills will not be paid.
3. For AST citizens with no insurance, evidence must exist that your visit was medically necessary. Medical priorities have been established for determining which referrals can be authorized for payment.
4. For AST citizens with insurance, evidence must exist that a third-party resource has made the determination such services were "emergency care" or "urgent care." Such evidence may include payment from private insurance.
5. In the event that you receive a bill from a provider, please provide a copy to PRC. You may leave bills at the Little Axe Health Center PRC office or the Shawnee Clinic PRC office.

### PURCHASED REFERRED CARE FOR AST CITIZENS WITH INSURANCE

PRC for a currently enrolled AST citizen who resides in the defined catchment area and has Medicare or private insurance.

1. To complete existing PRC patient updates, please visit Patient Registration at either the Little Axe Health Center or Shawnee Clinic during regular hours of operation.  
*For new AST tribal citizens, to become established for PRC services, please make an appointment to see the New Patient Coordinator/PBA at either the Little Axe Health Center or Shawnee Clinic during regular hours of operation.*
2. Notify PRC at least 48 hours prior to appointment date for a Coordination of Benefits (COB) to be sent to the provider.
3. Inform provider/health facility that AST PRC is a secondary payer/payer of last resort.
4. In the event that you receive a bill from a provider, please provide a copy to PRC. You may leave bills at the Little Axe Health Center or Shawnee Clinic.

### PURCHASED REFERRED CARE FOR AST CITIZENS WITHOUT INSURANCE

PRC for a currently enrolled AST citizen who resides in the defined catchment area and does not have insurance.

1. You must apply for all resources available to you, such as: Medicaid, Medicare, Worker's Compensation, Vocational Rehabilitation, auto insurance and other personal injury or liability coverage. PRC staff and/or Patient Benefit Advocates can assist you with the application process for alternate resources. Failure to exhaust available or potentially available alternate resources may result in denial of payment.
2. To complete existing PRC patient updates, please visit Patient Registration at either the Little Axe Health Center or Shawnee Clinic during regular hours of operation.  
*For new AST tribal citizens, to become established for PRC services, please make an appointment to see the New Patient Coordinator/PBA at either the Little Axe Health Center or Shawnee Clinic during regular hours of operation.*
3. You must utilize the services provided within AST health clinics prior to being referred out.
4. Referrals for outside services must be sent to PRC. Services must be medically approved by an AST Health provider and/or CMMR Committee.
5. An appointment will be scheduled, and a COB will be sent to the outside provider.
6. In the event that you receive a bill from a provider, please provide a copy to PRC. You may leave bills at the Little Axe Health Center or Shawnee Clinic.

Building Blocks II has 40 children enrolled. We have 18 staff currently. We have welcomed the New Year: 2020 and are looking forward to a great year as we serve our families and children. We are beginning to enroll more children into our classrooms.

We recently got a new fence around our big playground. We are also getting a new fence around our toddler's playground soon. New surveillance cameras have been installed in our building and are up and viewable. Also, Building Blocks II is getting new security latches on all of our doors. Our new heat and air systems will be installed soon. We are excited about all of the improvements we are undergoing!

During the last couple of months we welcomed the AST Afterschool program to our building. The teachers and children got to participate in our Thanksgiving and Christmas Activities! On January 6, 2020 the AST ASP children were moved back across the street to their buildings.

On January 25<sup>th</sup> Building Blocks staff will be attending the 2020 Shawnee Area Tribal Training Day, Lakeshore Conference at CPN Grand. There will be many topics to help our staff improve their Professional Development and be able to use it in their classrooms on a daily basis.

We look forward to teaching your wonderful children during the 2020 year at Building Blocks III! If you have any questions about our Child Development Program please feel free to call us at (405) 878-0633!

Thank You! Barbra Pope, Interim Director

# VOTE VOTE VOTE

Miller for Tribal Representative 2020

Ho wa se ke sa ke! (Ho weh se key seh key)

My name is Alicia "Aly" Edwards Miller and I am announcing my 2020 candidacy for the Absentee Shawnee Tribe's Office of the Tribal Representative.

I am 47 years old and proud to say my roots are well-grounded in the Shawnee area, where I still reside today. I am married to my husband Scott and we have 2 handsome sons, Connor and Brody. My mother is Nancy Hansen Edwards of Shawnee and my father is the late Glen Edwards. My in-laws are Glenn and Redena (Blanchard) Miller of Norman, OK. I am the granddaughter of the late Martha Ellis Edwards.

My high school alma mater is Tecumseh High School and I later sought my higher education at the University of Oklahoma where I graduated with my Bachelor of Arts in Native American Studies. I also attended graduate school and I possess 2 master's degrees. The first is a Master of Science in Management (Magna Cum Laude) and second is a Master of Business Administration (Cum Laude).

Proudly, I am a member of the North Ceremonial Ground and I am Round Paw clan. I sit as the President-Elect of the University of Oklahoma American Indian Alumni Society and I am a commissioner of a tribal regulatory gaming body. I also was a member of the North American Indian Women's Association for 21 years and sat as an AST Election Commission member for 4 years.

Over the past 19 years, I have gained work experience in tribal administrative capacities, which have spanned over 3 important realms - in any tribe: tribal administration, tribal gaming and tribal health. I have also launched a few new businesses where I have had the opportunity to creatively express myself where it has been exciting and gratifying.

I have always thought perhaps my experiences would one day prepare me for a tribal leadership position. To be honest, I always thought it would be when I retired. However, as of late with the chaos that has ensued our great tribe, I have had the desire to do what I can to help put our tribe back onto a better path.

It is my intention to bring back a better level of trust for the Office of the Tribal Representative. We can always do better. We can do better with one another and for one another. When we disagree, we must accept our differences of opinion and learn to move on to the next issue at hand. We have too much at stake to allow interferences, have OUR vision deterred and certain situations elongated to where we are stagnated. Shawnees should be the only ones dictating how we are to be as a people and as a tribe. Tribal government leaders are to lead by example, be the decisionmakers and lead with the tribe's best interest at heart. I was always taught by my father - it is a leader's responsibility to create opportunities for our tribal people and that is what I intend to do through the AST constitutional powers provided to the Executive Committee and to the Office of the Tribal Representative.

As I sit here and write this introductory campaign letter, I could sit here and say...I want this, I want that... but in the end, it isn't about what I always want...it is about what WE can do as a collective group of tribal leaders for the betterment of our tribe and the AST people.

Ne yi wa.

#### YOUR VOICE FOR POSITIVE CHANGE

Hello all,

I hope this finds you well. My name is Sacha Almanza and I am your 2020 Lt. Governor candidate for the Absentee Shawnee Tribe of Oklahoma.

I am the daughter of Vera Gibson, and granddaughter of the late Cleona (Gibson) Mann and late Johnny Mann of Little Axe. My family and I reside in Little Axe, Oklahoma where we support our tribe's strong culture. I attended the University of Oklahoma and obtained a Bachelor's of Arts in Native American Studies. I also hold a Master's in Business Administration in Health Care Management. As director for over 2 years in the AST Health System, I have proven experience in leadership development and working collaboratively with leaders for positive change. With 8 years of combined experience working for the AST, I have taken great pride in serving our people.

I believe it is time for a unified Executive Committee (EC) that can work together as a team. Now and in the future it is very clear that we need leadership that is transparent and can communicate with their EC counterparts to finally move all aspects of our tribe forward. Our expectations for leadership aren't what they used to be and it's time for our leadership to bring recognizable positive change to our people. I have AST children of my own and I believe it is vital that we focus on strengthening our foundation and ensure that our children and grandchildren have a future. Some may believe your votes don't count but with me your voice will always have meaning. I am 100% invested in rebuilding the trust of the people and working with the EC to move our tribe forward to improve services for our members near and far. I look forward to opportunities to visiting with you all about any concerns or answer any questions you may have. You are welcome to reach out to me via email or phone: salmanza4@gmail.com or 405.633.1831. Thank you for your time.

~Sacha Almanza, 2020 AST LT. GOVERNOR CANDIDATE

I feel we deserve the best **customer service** from our finance department. I stand for transparency and teamwork. **I will drive our tribe towards self-sufficiency.** I am asking for your vote in March.

## 2020 Census Snapshot — American Indian/Alaska Native

### What is the census?

Every 10 years, the United States counts everyone living in the country on April 1. Our tribes do not share enrollment numbers with the government, so it is important for all American Indians and Alaska Natives to participate in the 2020 Census.

### What's in it for me?

The 2020 Census is an opportunity to provide a better future for our communities and future generations. By participating in the 2020 Census, you help provide an accurate count of American Indians and Alaska Natives. Your responses to the 2020 Census can help shape how billions of dollars in federal funds are distributed each year for programs and grants in our communities.

The 2020 Census is our count. Our responses matter. Regardless of age, nationality, ethnicity, or where we live, we all need to be counted.

### Responding to the 2020 Census is:

#### > Easy

In early 2020, every household in the United States will receive a notice to complete the census online, by phone, or by mail.

#### > Safe

Your responses to the 2020 Census are confidential and protected by law. Personal information is never shared with any other government agencies or law enforcement, including federal, local, and tribal authorities.

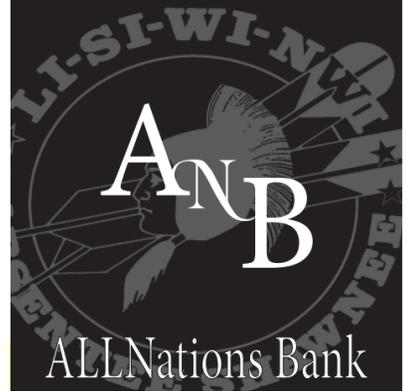

#### > Important

The federal government and local American Indian and Alaska Native leaders and decision-makers will use 2020 Census data in a variety of ways that can benefit Native people and our communities.

### Frequently Asked Questions

#### > Q. Who should complete the census questionnaire?

A. One person in the home should complete the questionnaire and include every person living there, including relatives, nonrelatives, babies, and children.

#### > Q. How can I answer the race question?

A. An individual's response is based upon self-identification. You may mark one or more of the race categories and/or enter multiple tribes or multiple detailed groups. Each write-in area will record up to 200 characters and up to six detailed groups.

#### > Q. What kind of assistance is available to help people complete the questionnaire?

A. Assistance responding to the 2020 Census will be available on 2020census.gov and via our toll-free phone number. Language guides, language glossaries, and language identification cards will be available in 59 non-English languages. Large-print guides to the questionnaire will also be available upon request, as well as telephone devices for hearing impaired. On 2020census.gov, video tutorials and how-to resources can help you complete your census form. Many communities, partners, and local organizations will also provide assistance.

#### > Q. How does the Census Bureau count people without a permanent residence?

A. Census Bureau employees work extensively to take in-person counts of people living in group housing, like college dormitories and shelters, as well as those experiencing homelessness or who have been displaced by natural disasters.

### Absentee Shawnee Tribal Taxes

A variety of tribal taxes are currently assessed and collected by the Absentee Shawnee Tax Commission to generate revenue used by the Absentee Shawnee Tribe ("the Tribe") to benefit our Tribal Members. These tribal taxes, their due dates and reporting and payment requirements are outlined below. If you have questions or need assistance with your tribal taxes, please contact the Absentee Shawnee Tax Commission by phone or at the address found at the bottom of this document. You can also visit our website for more information.

#### Sales & Lodger's Tax

The Absentee Shawnee Tribe levies a **6% Sales Tax** on the gross receipts of anyone engaging in business within the Tribe's jurisdiction, including receipts from:

- Performing services
- Selling tangible personal property
- Leasing or renting tangible personal property, lodging or hotel rooms
- Admission fees to any place of recreation or entertainment

An additional **5% Lodger's Tax** is imposed on gross taxable rental receipts from hotels, motels, resorts, lodging houses, or other premises occupied for fewer than 30 days. **Both Sales and Lodger's Taxes may be passed on to consumers.**

#### Severance Tax

The Absentee Shawnee Tribe levies an **8% Severance Tax** on the gross market value of all oil and gas products severed from the land within the Tribe's jurisdiction. The tax is not levied upon any Indian royalty payments.

To calculate the **Severance Tax**, you must first calculate the volume of oil and gas products separately, as outlined in the table below. Multiply the total volume of each by their gross market value, then subtract any allowable Indian Royalty Deduction to arrive at the total taxable amount. Multiply the total taxable amount by 8% to arrive at the amount of tax due.

$$\left( \begin{matrix} \text{Total Product} \\ \text{Volume} \end{matrix} \times \begin{matrix} \text{Gross} \\ \text{Market} \\ \text{Value} \end{matrix} \right) - \begin{matrix} \text{Indian} \\ \text{Royalty} \\ \text{Deduction} \end{matrix} = \begin{matrix} \text{Total} \\ \text{Taxable} \\ \text{Amount} \end{matrix}$$

$$\begin{matrix} \text{Total} \\ \text{Taxable} \\ \text{Amount} \end{matrix} \times 8\% = \begin{matrix} \text{Total} \\ \text{Severance} \\ \text{Tax Due} \end{matrix}$$

How to Calculate Total Oil Volume	How to Calculate Total Gas Volume
The total volume of severed oil taxable products—before any deductions are taken for processing, transportation, industry-standard shrinkage, etc.—is measured either according to current contracts of sale between the operator/producer and the purchaser; or in barrels of 42 U.S. gallons of 231 cubic inches per gallon, at a temperature of 60° F, per U.S. Geological Survey regulations.	The total volume of severed gas taxable products is measured at the wellhead—before any deductions are taken for processing, transportation, industry-standard shrinkage, etc.—in units of 1,000 cubic feet (MCF) and corrected to standard temperature and pressure, per U.S. Geological Survey regulations.

#### Possessory Interest Tax (PIT)

The Absentee Shawnee Tribe levies a **1% Possessory Interest Tax** on the value of property that is being leased within the Tribe's jurisdiction, including:

- Interests held under lease
- Interests held under an easement or right-of-way, including all improvements, equipment, fixtures and other tangible personal property held or used by the taxpayer in connection with the taxable use of such realty

The **Value of Leased Property** is determined on the date of acquisition, and on January 1 of each year thereafter, according to the method for determining market value under the Oklahoma Statutes and regulations (68 OS § 2802).

#### Vehicle Registration & Taxation

Enrolled Absentee Shawnee Tribal Members residing in Oklahoma have the option of registering their vehicles with the Tribe, including all passenger automobiles, motorcycles, motorized bicycles, farm trucks, and commercial and recreational vehicles. The Absentee Shawnee Tribe imposes a **1.25% Vehicle Excise Tax** on the retail purchase price the first year a vehicle is registered, plus a **\$10 Lien Processing Fee** on all vehicles that are financed, which is paid to the Absentee Shawnee Tax Commission rather than to the State of Oklahoma.

$$\left( \begin{matrix} \text{Vehicle} \\ \text{Purchase} \\ \text{Price} \end{matrix} \times 1.25\% \right) + \begin{matrix} \text{Vehicle} \\ \text{Tag} \\ \text{Price} \end{matrix} + \begin{matrix} \$10 \\ \text{Lien} \\ \text{Processing} \\ \text{Fee} \end{matrix} = \begin{matrix} \text{New Vehicle} \\ \text{Registration} \\ \text{Fee} \end{matrix}$$

**Vehicle Registration Tags** can be obtained in person from the Absentee Shawnee Tax Commission office at the address below. Tag prices vary depending on the age and type of vehicle; please contact the Absentee Shawnee Tax Commission for specific vehicle tag pricing.

#### Earnings Tax

The Absentee Shawnee Tribe levies a **1% Earnings Tax** on earnings paid to anyone employed within the Tribe's jurisdiction, which means that all employers within the Tribe's jurisdiction are required to withhold 1% of each employee's gross earnings each pay period.

**Employee Notification:** Employers must report to the employee, on pay stubs or in writing, the amount of earnings tax withheld each pay period. They must also disclose the full amount of earnings tax withheld and paid to the Absentee Shawnee Tax Commission on an annual basis. Employers must maintain employee timesheets and payroll records for three years.

#### Application for Business License

All businesses located within the Tribe's jurisdiction must obtain a business license from the Tribe for a \$100 fee. The Application for Business License, available from the Absentee Shawnee Tax Commission, must be renewed each year by January 1.

#### Sales & Lodger's Tax Reporting, Payment & Penalties

The Sales & Lodger's Tax return must be submitted to the Absentee Shawnee Tax Commission by the 15<sup>th</sup> of the following month. For example, for gross receipts collected from March 1-31, the tax return would be due April 15. Businesses that fail to file and pay this tax on time will be assessed 12% annual interest on the total amount due, plus a penalty of 2% of the tax due per month, up to a total of 12% of the total tax due.

#### Designation of Agent Form

A person responsible for meeting all obligations of the Severance Tax, including reporting and payment of the assessed tax, must be designated in writing. The necessary Designation of Agent Form is available from the Absentee Shawnee Tax Commission.

#### Severance Tax Reporting & Payment

Reporting and Payment of the Severance Tax to the Absentee Shawnee Tax Commission is due within 45 days following the end of the calendar month in which the taxable product was severed. For example, if taxable products were severed in March, the tax return and payment would be due by no later than May 15.

#### Application for Registration (PIT)

All businesses within the Tribe's jurisdiction that hold possessory interests must submit an Application for Registration (PIT) to the Absentee Shawnee Tax Commission. There is no fee. Updates only need to be submitted if there is a change in information.

#### PIT General Property Summary / Detailed Property Value Report Forms

The value of possessory interests must be reported to the Absentee Shawnee Tax Commission each year by January 15.

#### PIT Tax Reporting & Payment

Possessory Interest Tax must be reported and paid to the Absentee Shawnee Tax Commission by no later than February 15 each year.

#### Lien Processing Fee - \$10

Vehicles that are being financed are also subject to a \$10 lien processing fee, which is paid to the Absentee Shawnee Tax Commission rather than to the State of Oklahoma.

#### New Vehicle Registration: Required Documents

- Valid Oklahoma driver's license
- Proof of insurance
- CDIB/Enrollment card
- Notarized vehicle title
- Notarized bill of sale or purchase agreement
- Lien Entry Form (if you are making payments)
- Lien Release Form (if previous owner had lien)

#### Annual Vehicle Registration Renewal: Required Documents

- Valid Oklahoma driver's license
- Proof of insurance
- CDIB/Enrollment card
- Previous year's vehicle registration

#### Earnings Tax Reporting & Payment

Earnings Tax returns are due from employers to the Absentee Shawnee Tax Commission by the 15<sup>th</sup> of the month following the month in which the tax was withheld.

# Human Resource Report

*Elizabeth Snow, Director of Human Resource*

The last several months have been productive for the Human Resource Department. We have made significant progress on a number of quality focused initiatives along with wrapping up the 2019 end of year reporting requirements. One of the initiatives for 2019 was the transition to a new 401K administrator to better assist employees with retirement options and education. The first year of transition has been very successful by increasing enrollment participation 14% and lowering plan fees for the Tribe and the employees 18%. The overall result from these changes is a significant savings to the Tribe in plan fee costs and an increase in contributions to employees' retirement plans. The second phase of the transition will start this year, by providing quarterly education options for the employees. These sessions will be individualized to help set a path for retirement and help plan financially for their future.

Currently the staff has been working with an action team lead by Representative Fletcher, consisting of key personnel from, Human Resource, Cultural Preservation, and the IT department. This action team has been focused in aligning the branding of the Tribal departments with a consistent visual representation of the Tribe in print and online. We are in the second phase of this project and are projected to complete by the end of this year. In addition to the Branding action team the staff has been a part of the new Security System action team for campus. We have recently been working with the Procurement, IT and Police Departments to update our current system which is projected to be completed before the end of the second quarter.

In December the staff completed

the Longevity Awards at the annual Holiday Employee Appreciation Luncheon. These service awards recognize employee's hard work and dedication to the Tribe. The Tribe realizes that our employees are one of our greatest assets by upholding the principles and vision in their daily work. To celebrate employee's commitment the Human Resource department honored each employee who reached their 5, 10, 15, and 20 year milestones in 2019. Many received gifts of appreciation for their service as well as message of appreciation from Representative Fletcher and the Executive Committee members to honor their commitment and leadership through their many years of devotion to the Tribe.

The Department of Human Resources provides a range of programs and services to the staff, as well as advice and guidance on a multitude of employment situations. The staff members provide support to employees throughout their employment life cycle. This support starts at the hiring process, continues throughout employment and goes into retirement by helping them plan and administer retirement benefits. In addition, the department has many reporting requirements to administer for ACA, worker's compensation and payroll to ensure compliance for the Tribe. In the last quarter, the department has been focused on completing these requirements and starting the process for the 2020 strategic planning. In the upcoming

months we will be continuing to work on the Tribe's policies and procedures to strengthen our processes and provide support to our employees.

While the end of year always brings an increase in productivity for the department we are still available to assist any Tribal member or employee with questions. We are committed to ensuring the assets and integrity of the Tribe are protected as well as continuing to serve our employees with kindness and professionalism.

If you have any questions regarding the Human Resources departmental process, please feel free to contact us by sending an email to HR@astribe.com.

Candidate for Treasurer of the Absentee Shawnee Tribe

Hey Everyone,

I hope all is well with you and your family. It's hard to believe we're already in February, but we all know what that means. It's that time of year for elections. I want to quickly take this moment to announce my candidacy for Treasurer of the Absentee Shawnee Tribe. I did not come to this decision lightly and spent a great deal of time considering other options before making my decision.

For those who don't know me, my name is Joseph Blanchard. I am the eldest child of Joe Blanchard, the late Darrell Watson and Carolyn Tiger. My paternal grandparents are the late Henry Blanchard, Jr. and Helen (Gibson) Ramirez; and my maternal grandparents are the late Solomon Tiger and Sarah Thompson.

I am a graduate of Shawnee High School; obtained an Associate Degree from Seminole State College; and earned a Bachelor of Arts at the University of Central Oklahoma. I have been married to my wife, Twyla (Harjo) Blanchard, for 19 years this past November. She has been my partner and greatest supporter for over 2 decades. We have raised 3 adult children: Dakota (27), Solomon (25), Kyerra (22), and have 1 remaining child at home, Erika (13). In past years, we have opened our home to care for and nurture several children through the Foster Care program.

Currently, I am employed with Seminole Public Schools as the Title VI Coordinator. I wear multiple hats and serve in several capacities as: oversight of the Johnson O'Malley (JOM) program, Tribal Liaison, and the Native American Club sponsor. Additional coaching duties include: middle school fastpitch softball, high school girls' basketball, and high school boys' and girls' tennis. And on Friday nights, one can see 'Coach B' roaming the sidelines with the football team. I am also a member on the "Board of Directors" for Crossroads Youth and Family Services.

When asked why I decided to run for this office, my reply is, "I work at a place where my job is to empower, inspire, and motivate

young people to achieve their goals and fulfill their potential. I believe this experience, coupled with my background and education, gives me the skills necessary to help my Tribe. I've volunteered at various organizations over the years and felt the Creator was opening another door. It's a perfect opportunity for me to give back to my People, while at the same time, being an advocate and voice for others.

I am very excited at the opportunity to be considered for this position. I think it has great potential and I know I can make a difference, to instigate the change our People have been so desperately requesting. I am seeking your vote because I'm the most qualified candidate running for this position. My work history speaks for itself. When given the chance to lead, I create jobs, revenue, and positive returns on investments. If I don't know the answer, I won't BS or avoid the question. I'll find a solution.

If you wish to find out more, want to share ideas, or visit about your concerns, send me an email at: jb4ast@gmail.com or follow my Facebook page for updates: Joseph Blanchard for AST Treasurer.

I appreciate you taking the time to read my article and letter of introduction. Next month, I'll provide my points of focus and suggestions on areas where we can improve. I look forward to seeing you soon.

Thank you for the consideration.

Sincerely,

Joseph H. Blanchard

What is a Brownfield?

The EPA defines a brownfield site as "...real property, the expansion, redevelopment, or reuse of which may be complicated by the presence or potential presence of hazardous substances, pollutants, contaminants, controlled substances, petroleum or petroleum products, or is mine-scarred land."

Do you have land that you want to use for a business, park, or for cultural purposes, but are worried about possible contamination? If so, you may have a Brownfield site.

Typical Brownfield Sites Include:

- ◆ Abandoned Factories/Buildings/Homes
- ◆ Burned Homes
- ◆ Buried Dump Sites
- ◆ Open Dump Sites
- ◆ A Large Amount of Tires
- ◆ Former Cattle Dip Pit Sites
- ◆ Barrels of Unknown Substances
- ◆ Old Service Stations
- ◆ Oil Storage Facilities
- ◆ Oil/Gas Well Sites
- ◆ Old Dry Cleaning Businesses

**If you have a Brownfield site that you would like to develop, or if you know of a possible Brownfield site, please contact:**

# How Hard Do I Need to Exercise?

**Exercise can be a great therapy for those with type 2 Diabetes.**

There are numerous benefits and goals that can be achieved by engaging in daily exercise. Aside from building muscular strength and improving your aerobic fitness, exercise provides numerous benefits to your physical health such as stabilizing blood glucose levels, lowering blood pressure, reducing the risks for stroke and heart attacks, and sustaining healthy triglyceride levels.

Many people begin working out without understanding what exercise intensity to maintain for maximum benefits. In this article, we will address exercise intensity ranges to help you better understand what is best for your current fitness level.

### Sedentary

A sedentary activity level describes someone engages in little to no exercise. If you spend most of your time sitting at a desk or watching television, without working out regularly, you're considered sedentary.

### Low-Intensity

When you are exercising at a low-intensity level you are able to breathe normally, and are able to sing while you perform an activity. Under normal conditions, low-intensity exercise will not make you sweat.

Examples might include taking an easy walk, stretching, shopping and light gardening.

### Moderate-Intensity

When exercising at a moderate intensity level, you will breathe harder and deeper than at a sedentary level. You can't sing songs, but you can maintain a conversation when you take a brisk walk. This is a good example of a healthy moderate intensity level. After around 10 minutes of exercise, you should begin to sweat. Lawn mowing, riding a bicycle on level surfaces and power walking are examples of moderate intensity exercises.

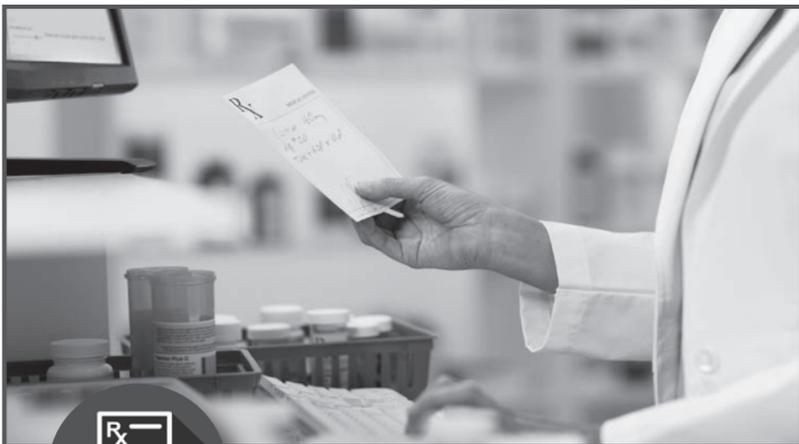

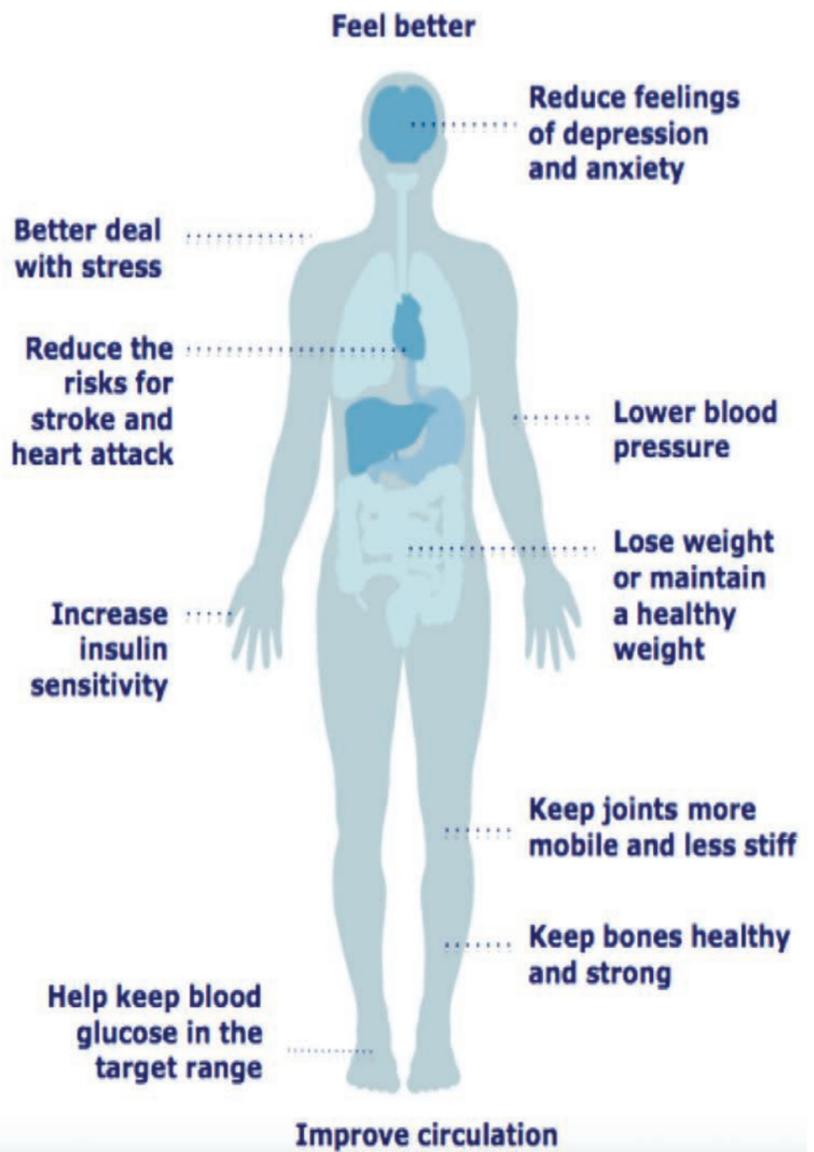

### High Intensity

When exercising at a vigorous level of intensity your heart is working at maximum efficiency. Talking will be difficult at this level and you will breathe in and out rapidly. You will begin to sweat after just a few minutes doing exercises like biking on hills, basketball, jogging, swimming laps, or high-intensity interval training.

It is always best to begin an exercise regimen at the lowest intensity before progressing up to up to higher intensities. Please contact the AST Fitness Program at (405) 364-7298 for more information about exercise intensities specific to your current fitness level.

Wonder if we will get a winter? just in case!!

Absentee Shawnee Tribe – Severe Weather Policy effective December 2013 states:

2. PROVISIONS

a. Prior to normal starting time it will be announced on one of the local television or radio channels that the Absentee Shawnee Tribe is open and/or closed based on weather severity. The Governor, and/or designee, will report to these channels: Channel 4, 5, 9, Fox 25; Radio- KTOK 1000; KOCK 1520 AM. Formerly the policy has been that when schools in Little Axe and Shawnee are closed then employees would be allowed administrative leave. This policy seeks to clarify on procedures and gives the decision making process back to the Tribe.

b. On days when weather conditions worsen as the day progresses, the Governor or another Member of the Executive Committee may decide to

close early. In such cases, a decision and an announcement will be made through email to all employees

Any concerns or questions please contact us at 405-275-4030 ext 6227 If you haven't filled out a new intake form – let us know and we will get you one!!!! Thank you to the ones that have turned theirs in.
