Absentee Shawnee Tribal Health System Internship Program Enters Third Year

by Mark E. Rogers, Executive Director

The health system welcomes another group of area AST and local Native American youth into our third year health internship program. These six aspiring health care professionals will be exposed to a myriad of healthcare operations spanning the entire health system. During their summer program with the health system they will experience clinical operations of the entire health system, learn about patient privacy, health information processing, electronic health records, and patient care in all the clinics as well as be exposed to community service in public health and the health grant programs for the first half of their program. The second half of the program they will specialize their desired focused study areas within the area of study or field they plan on going into. This year's aspiring youth are interested in a wide-range of professions from physical therapy, nursing, community health, administration and public health corps among some of their desired studies.

The internship program prepares the interns with a solid baseline in health system operations, graduating with a paid work history in health care, a certificate of program completion, and a letter of recommendation to begin their new journey! Students will also be affording educational counseling with the tribe's education office on opportunities for educational development and advancing their dreams of working within a health care program. We are very proud of our program and the health board's ongoing support and investment in growing and developing our talent from within our tribe and surrounding area today in the hopes of retaining the youth in our area and recruiting them back to serve within our health programs in the future!

Governor’s Report

By AST Governor Edwina Butler-Wolfe
405 275-4030, Ext: 6308
405 481-0397 Cell Number (tribal)

Hello Tribal Members of the Absentee Shawnee Tribe!

Hope everyone has survived the serve weather we have had lately and hope no one had any flooding problems to homes. There have been a lot of happenings here in the tribe as far as changes due to special call meetings of Secretary Johnson. One of the changes is putting the tribe in danger with the National Indian Gaming Commission (NIGC) which technically is not anyone’s oversite due to the Gaming Ordinance with NIGC. The Gaming Commission Department is a regulatory department and sees that it be a separation between the regulation and operation of tribal gaming activities. That is why it is necessary that there is an ordinance between tribe and NIGC. In the ordinance it is the Governor that is named for actions to take place and not the Representative. We are not going by the ordinance and that could mean penalties or other action against the tribe. As the Governor of the Tribe we do not want to have any attention on the Tribe from NIGC for any childish actions that the Representative is illustrating and harming the Tribe.

One other action that took place with Secretary Johnson called special meeting was the oversite of the Absentee Shawnee Police Department. Secretary Johnson is breaking the Absentee Shawnee Law.

POLICE AND LAW ENFORCEMENT SERVICES (as adopted by L-AS-93-36)

Section 2. Governor in Command

It being the duty of the Governor to have General Supervision of the affairs of the Executive Committee and to perform all duties appertaining to the Office of the Governor, which duty includes the duty to see that the laws of the Absentee Shawnee Tribe are enforced, the Governor shall be recognized as the commander of the Absentee Shawnee Tribal Police Department. The Governor shall keep informed as to the efficiency and conduct of the Tribal Police in the discharge of their duties.

The law code is being broken by Secretary Johnson. What was stated above does not state that the Secretary is in command.

Again we as a Tribe need to get out of this 3 signature authority and should be all 5. Being Governor the last 6 years this is a battle that is always being fought and needless to say I have been always against 3 or 4 out of 5 members. THESE ACTIONS HAS GOT TO STOP!!! It is only hurting our Tribe and most of all it is you, the Tribal People. Sad to say our non- Indian employees that have key positions are utilizing this behavior for their gain of the elected officials.

Secretary Johnson has had two of his program oversite being investigated due to misuse spending. His own staff in his office was suspended from work due to the investigation.

EXPRESSIONS: For those families who may have lost a loved one this month, I offer my sincere condolences to you and your family on your loss.

CONCLUSION: I APPRECIATE Tribal Members that have come by my office or called with their concerns. My door is open unless I am in a meeting or attending a meeting elsewhere. My office is open and not behind locked doors.

Help me make a difference and stand beside me and let us Build for the Future (BFF).

Secretary’s Report

By John Johnson
AST Secretary

It has been a long six months but I am very honored and privileged to serve as your Governor. I have many projects I have been meeting on and now I can put them into play. I have many different aspects of business that I am more willing to bring to the Tribe. I can honestly say I am beyond excited to get the tribe moving forward for not only business and revenue but most importantly the tribal members. You have asked for a change and I will be the change. As long as I have your continued support I will move us forward as a whole. The Absentee Shawnee Tribe will succeed and become more known for our business abilities. Once again thank you for your support, I will make a difference. Your voice and vote has been heard.

Thank you
John Johnson

Treasurer’s Report

By Phillip Ellis
AST Treasurer

C-Store Fraud Update
In 2018, a forensic analysis was completed by REDW, LLC for our C-store and Tobacco Entities. Once entering office I submitted a claim to our insurance agency, Great American Insurance Group – Fidelity/Crime Division. A proof of loss claim and the supporting documents highlighted a loss of \$683,107.99 that occurred by management and/or individuals. At this time, Great American Insurance has denied the claim in that the individuals responsible for the loss were not employee(s). I have recently presented this information to our new AG and am working with him to look for other opportunities to possibly recoup our loss. The federal investigation is on-going.

BIA Roads Progress Summary
A performance audit has been conducted by REDW, LLC for the years 2017 and 2018 on the BIA Self-Governance Department. A report is coming regarding the status on expenditures and roads project updates. Roads projects are a priority. A position for a roads manager has been opened up and interviews will be conducted for a roads manager and hopefully filled by July. Striping and road repair for the Shawnee complex has started. The parking lot for the Shawnee multi-purpose building will be completed prior to the October General Council meeting. Multiple meetings with the BIA Area Office and BIA roads staff occurred in May and June. Meetings with county commissioners from Cleveland and Pottawatomie counties have also occurred regarding our AST roads inventory. A routine annual meeting with our AST Housing Authority has also been scheduled to ensure support of their road project needs.

Minor’s Trust Update

The AST Minor’s Trust – Trust document has been finalized. The Trust is established for the receipt of settlement and other funds set aside by the AST for future distribution to eligible minors. The Trust is not subject to the Indian Gaming Regulatory Act (IGRA). The Trust is in-

tended to satisfy the definition of an ordinary trust in Section 301.7701-4(a) of the Procedure and Administration Regulations, and is intended to constitute a grantor trust (within the meaning of Subpart E, part 1, subchapter J, chapter 1, subtitle A of the Internal Revenue Code (Subpart E) whereby the AST is the grantor and owner of the Trust, and it’s the intention of the AST that this Trust be construed accordingly. In no event will a beneficiary be treated as the grantor of the Trust. The Trust is intended to qualify for the same tax treatment as would apply to an IGRA Trust under the “safe harbor” provisions of Revenue Procedure 2011-56, whereby beneficiaries are not required to include amounts in gross income under the economic benefit doctrine, but must include Trust distributions of income when actually received. All questions of the trust can be directed to the Office of the Treasurer or the Enrollment department.

AllNations Bank Update
I had a brief conversation with Stephen Smith, AllNations Bank President, and look forward to additional follow-up conversations and discussions on how to move our bank forward towards intended goals— profitability and success.

Audit Nearing Completion

The 2018 AST annual audit is nearing completion. The audit covers the following:

- AST Financial Statements and Audit Opinion.
- Communication with Governance and Management.
- Report on Internal Control over Financial Reporting and Compliance.
- Single Audit Report (including SEFA, Internal Control Report, Compliance Report and Schedule of Findings and Questions).

Treasurer’s Report Continued

I would like to thank the Tribal Finance and Health Finance teams on working diligently with our financial auditor, Baker Tilley. Special thanks to tribal leaders and enterprise management on providing information timely and being available for interviews with Baker Tilley. The Annual Audit report will be presented to the EC and Enterprise Management on Wednesday, July 24th.

IDC 2020 is in progress
The Indirect Cost calculation and proposal process is starting early. As I previously mentioned, we are moving towards year 2 of our 3 year plan to bring the Indirect Cost negotiation process in-house. A special thanks to our finance staff for pursuing the education and training necessary to enhance our internal expertise and knowledge of this vitally important initiative. I anticipate that we will be decreasing our external Indirect Cost negotiation costs by an additional 50% this year.

Electronic PO process
have tasked the Procurement Department to move towards an

electronic purchasing process. Our new software is called Microix. This requisition module enables financial staff and non-financial staff to create purchase requests from their computer, in addition to helping to enforce specific requirements to reduce errors and ensure that information is accurately provided to properly process a request. This software also includes a multi-level approval process that provides accountability, efficiency and internal control. A great benefit of this program is the integration with our accounting software; MIP. The highlights of this electronic PO process includes:

- maintains complete purchasing and audit control with detailed information tracking,
- analyzes purchase activities by departments, users, vendors, etc.,
- utilizes approval submission to avoid delays,
- effective real-time approval, denial, or modification requests of purchases.

Representative’s Report

Atheda Fletcher
Work PH: 405-275-4030 Ext. 6239
Cell PH: 405-287-5247
afletcher@astribе.com

Greetings Tribal Members:

I am extremely pleased with the work that the Cultural Preservation Department and the Human Resources Department have achieved. The staff in each of these departments is committed to the growth and overall success in the day-to-day activities as well as building for the future.

Cultural Preservation Department is developing a calendar of events that involves activities for the benefit and enjoyment of all tribal members. I encourage all tribal members to get involved and participate. If you have any suggestions, requests, or comments that will contribute to the success and growth of the CP Department, please contact Andrea Ellis-Harrison, CP Director. And, as always, I am also available to assist with questions and comments relating to Cultural Preservation. We are also anxiously awaiting notification on whether we will receive a grant to help with our language program. We anticipate the award will be announced by August. A more detailed report on CP activities will be provided by the CP Director.

The HR Department continues project work on the ADP implementation, policies and procedures project, 401k plan review and on campus employee training programs. Each of these projects takes high priority work and along with their day-to-day activities, the HR team continues to prove their dedication and ability to meeting all challenges with grace and competence. Once we complete these projects, we will undertake new initiatives that will provide further benefit to our tribal members and employees. I would also like to highlight multiple cost-saving measures our HR Department has under taken including revision of the 401K plan, workman’s comp claims, and on-boarding processing.

I attended the Assisted Living Committee meeting wherein we discussed the teams work on the feasibility and market study. I will be presenting a resolution to secure funding for the feasibility study. This study will outline the need in the surrounding communities and recommend a size of the Assisted Living Facility. The feasibility study is essential to access USDA funding, which is the ideal funding source for this project. The feasibility study will take 6 to 9 weeks to complete.

As the newly appointed oversight for the AST Gaming Commission, I have started to meet with the interim director on the status of the department, gain project updates and review its needs assessment. I hope to provide support on IT networking needs, cost saving measures on the department’s budgets and overall operational efficiency. I am confident that working towards creating a stronger and more collaborative working environment will benefit the department and the tribe.

Quote: Setting goals is the first step in turning the invisible to the visible.

Education

Big Jim Youth Awards

Tribal Leader, Big Jim

In May 2016, the Big Jim Youth Award Selection Committee identified the tribal youth who were to receive these prestigious awards for their High School Academic and Athletic performance. The selection committee for these awards consisted of individuals who are either educators, coaches, or affiliated in these areas or to the area of higher education within the state of Oklahoma. None of the members of the selection committee were Absentee Shawnee Tribal members. This was incorporated into the program to maintain fairness to all of the applicants.

The Big Jim Youth Award Program was open to all Absentee Shawnee High School Seniors within the 50 United States. “The purpose of these awards is to recognize the outstanding contributions of our tribal youth and to promote excellence in academics and athletics in high school and beyond” said Tresha Spoon, Educational Director of the Absentee Shawnee Tribe.

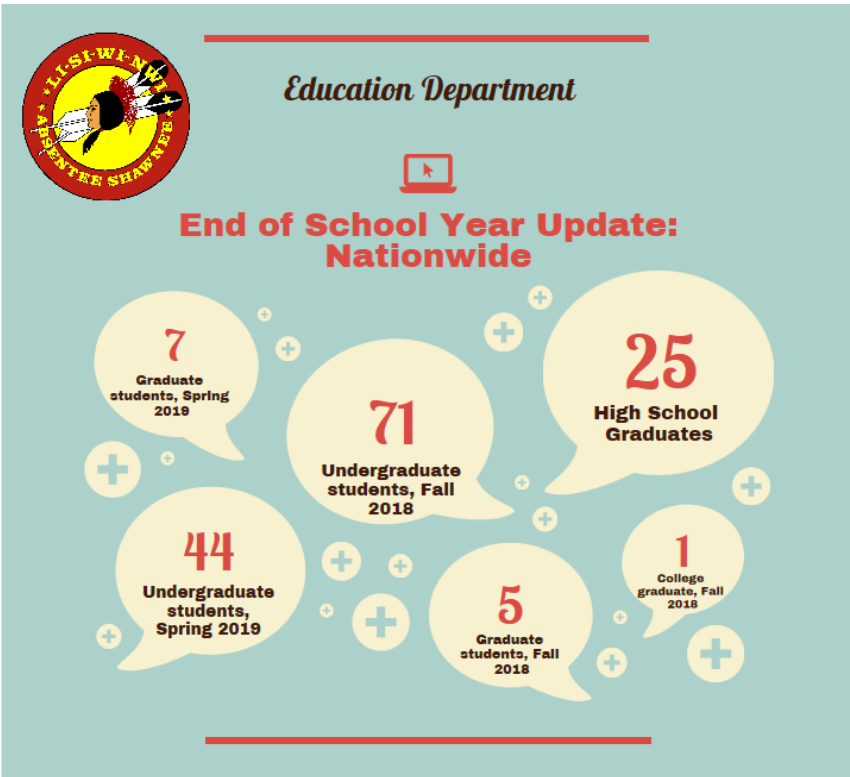

Academic Achievement, \$1000.00 Scholarship
Athlete of the Year, \$1000.00 Scholarship
Kase Spybuck
Piedmont, Oklahoma
Parent: Stephanie Fletcher
Attending: Oklahoma State University
Accomplishments: Honor Roll all 4 years of High School

Building Blocks III

Building Blocks III CDC has been keeping busy. We currently have 19 employees. We currently have 35 children enrolled. We have consistently been enrolling more children weekly as staffing is improving. In hopes to enroll all 44 children that are on the Waiting List, we are still holding interviews for Master Teachers. We celebrated our Mother's and held Muffins with Mom's on May 9th, thank you to all the Mother's who came to celebrate with us. On May 10th, our Toddler's, Two's, Three's and Fours attended a trip to the Zoo, as they were learning about the different animals. Our annual Open House was held on May 31st and we would like to thank the Shawnee Family for coming and demonstrating traditional dancing in full regalia. We all had such a great time. On June 7th, I, the Director, Rebecca Jones graduated six months of training with Leadership Academy I. It was a bitter-sweet day for me to say good-bye to the other 23 Director's and Instructors I was able to network with during that time. However, I look forward to Leadership Academy II. June 12, my Assistant Skye Foreman and I attended the Microix Training and look forward to going paperless. Save the trees. We celebrated our Father's with Donuts with Dad on June 14th, thank you to all the Father's that came to celebrate with us. The Three's and Fours look forward to attending a trip to the Children's Museum on June 21st. We are currently working on making improvements to the Center, for example, we looking to install new playground equipment as well as installing an infant playground and shading for all three playgrounds. Thank you to all who have come to help us celebrate during our Special Events these last couple of months and to our dancer's, you are welcome at anytime and thank you for sharing your love for dance and inspiring all of us here at Building Blocks III CDC.

With all our love, Rebecca Jones, Director & Skye Foreman, Asst. Director & Building Blocks III staff

Cultural Preservation

The Cultural Preservation Department has been busy the past month with hosting events and being involved with other tribal programs. Following is a summary of the department's most recent activities:
Special Event/s. The CP Department featured a parade float in the Red Earth Parade 2019 downtown Oklahoma City, Ok. The float featured two mini brush arbors made from trees and willow branches as a roof. Often times the brush arbor is used for a special meeting place, ceremony or gathering of sort during tribal dances. Kay Bemo and Autumn Felton walked alongside the float to pass out candy to the children watching the parade. AST Representative Fletcher was also present passing out promotional items and treats to the children.

The CP department also set up a game booth at the fishing clinic at Thunderbird Lake on June 8 2019. The CP Department did pick a duck game at the booth. The ducks were labeled with a number in AST language and English. When the children picked a duck with the number they received a summer treat or CP bag.

Youth Outreach. The librarian hosted a story reading with the CCDF summer children on June 17th in the CP Library during the morning hours. The children really enjoyed the story, as well as, Casey reading to children.

FCC/TCNS. In April and May the TCNS received 320 projects and completed 268 reviews.

Trainings/Conferences. The Cultural Preservation Director Andrea Ellis-Harrison and THPO Specialist Ashley Brokesoulder attended the FCC Tribal Workshop held June 12th and 13th in Norman, Ok hosted by the Chickasaw Nation of Oklahoma. The meeting covered a variety of topics including: Tribal success stories regarding broadband access on Tribal lands, funding opportunities for broadband infrastructure buildout, and FirstNet opportunities for public safety and emergency communications for Tribes. There was no FCC hearing updates at the workshop besides the case is still remaining within the Court of Appeals.

Gift Shop. Currently, the gift shop has increased the sales from 2018 to April/ May sales by 46.29%. We are working on getting additional spring and summer merchandise in the shop. We do have more of the Minnetonka sandals for the entire family and they sale really quickly. Come and check out the new items.

Other Activities. Listed below are upcoming events and classes schedule. My staff and I look forward to your continued support and participation at these events/workshops/classes.

- Can Making class/workshop AST Multipurpose Bldg. June 25, 2019
- Stompdance Demo with Camp Nikoti and CCDF summer youth programs June 26th 2019
- Ribbon skirt cultural class Save the Date for June 27, 2019
- IndigeNerd Native Comic Con Thunderbird Casino, Norman, Ok. July 6, 2019
- Moccasin Making Class Save the Date for July 9, 2019 and August 3, 2019
- Apron Workshop Save the Date for August 10th 2019 2pm- 5pm

Staffing. I have recently hired a Librarian. Her name is Casey Wilson. Casey comes to us with a wealth of knowledge. She will contribute her positive attitude and well known traditional values to the CP Department. If you have any new ideas or would like to make a request for additional cultural classes/workshops dates or times, please feel free to contact Casey.

Also, please watch for more upcoming events and classes. As always, please feel free to contact me, Andrea, at 405-275-4030 Ext. 6245 or aellis@astribe.com

The CCDF Programs Summer School Age Program (SSAP) is in full swing. We will continue the program until July 26. Some of the activities we did in June were Library visits (Public and AST), going to the OKC Zoo, Movies, and CPN and Chickasaw Cultural Centers. We also do activities and crafts during the days we stay on the Complex. Summer is going by fast and we are having a good time!

The After School Program will begin in August. Students who were enrolled in the Spring of 2019 are eligible to re-enroll for Fall 2019 by contact LaNora Buswell or me. New students can fill out a waiting list application and be put on the waiting list for open spots. The deadline for former students to re-enroll is August 2, 2019. We will also be looking to add tutors for the Fall. If you are interested in becoming a tutor there will be a job posting on the AST website very soon. Please contact us if you have any questions.

The CCDF Subsidy Program is in the first year of 12 month eligibility so renewals happen as the 12 month eligibility expires. For families who may be interested in child care assistance and cannot get assistance through OKDHS, please contact me regarding subsidy. The application and information regarding subsidy and provider selection can be found on the AST Website under Services/Child Care. We also offer a three (3) month job search for families who may be experiencing a loss of employment but still have child care needs. Families will need to reside in the AST CCDF Service area of Cleveland, Oklahoma, Pottawatomie and McClain counties. They can choose any DHS licensed provider or seek enrollment with one of our AST Building Blocks Child Development Centers.

Our goals through the CCDF grant, Building Blocks enterprise and the After School Programs is to provide quality child care to Native and non-native children in our communities. We do this by our innovative ideas on curriculum and staying abreast of all training and requirements to maintain higher levels of care. We strive to be the best and be better than the best every day.

If you are interested in any of these programs or have any questions please feel free to contact me at the number above or by email, briana.ponkilla@astribe.com.

Ni yi wa! (Thank you)

IOWA TRIBE OF OKLAHOMA
VOCATIONAL REHABILITATION

TRANSITIONAL SERVICES

The Iowa Tribe of Oklahoma Vocational Rehabilitation (ITVR) Program has provided vocational services to Native American consumers since 1996 and transition services to students since 2004. For years, our goal has been to empower Native Americans with disabilities, consistent with their individual strengths, resources, priorities, concerns, abilities, capabilities, and informed choice, to prepare for the transition from school to work or post-secondary school.

PROGRAM
Transition Services help Native American high school junior and seniors with disabilities continue their education, train for a job and find a job after completing education.

You design your own customized Individual Plan of Employment (IPE) with our help.

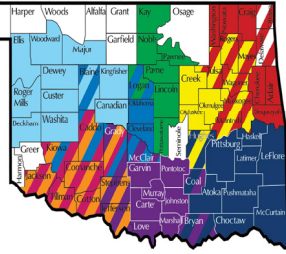

QUALIFICATIONS

- Are you an enrolled member of a federally recognized tribe?
- Are you a Junior/Senior in High School?
- Do you reside in our services area?
- Disability documentation from a Doctor, Physician or Mental Health Provider noting disability and impediment?
- Are IEP or 504 Plan may be accepted as proof.

SERVICES

- Counsel and Guidance about Training and Education after IHS.
- Assistive Devices (Hearing Aids, Walkers, Eyeglasses, Learning Devices, etc)
- Tutor Assistance
- Testing Fees (ACT/SAT)
- Work Clothing for New Jobs
- Career Assessments
- Physical or Mental Evaluations
- Resume Building, Interview Etiquette, etc.
- Other Various Services

Cimarron Texas Beaver

ITVR provides their services to any member of a federally recognized tribe residing in the seven counties as shown in this map:

Mowing Applications are Open!

Dear Absentee Shawnee Tribal Members

For many years The Title VI Department has provided gas to mow your lawns. We are updating the guidelines. The Title VI Grant provides gas as supportive services and for us to provide supportive service you must be a participant in the Title VI Program.

Guidelines:

1. Absentee Shawnee Member
2. Must be 55 years and older
3. Must be an Title VI Member, have a current intake form on file (FY-2019)
4. Must provide Proof of Residency (utility bill – in the applicants name)
5. Handicap/Disabled
6. NO RENTAL PROPERTY WILL BE MOWED

As a Title VI Member as long as you are within the guidelines you can put in your application and turn in your applications to the Title VI Department. As stated on the application: Maintenance will only mow and weed eat applicants lawn. Maintenance will mow every two (2) weeks weather permitting. Also, the maintenance workers will not trim trees, shrubs, and will NOT move any items that are in the way of cutting your lawn.

Any questions you can reach me at 405-275-4030 ext. 6227 or email me at dowings@astribe.com

Absentee Shawnee Tribe of Oklahoma

*DISCLAIMER

Maintenance will not move any items that are in the way of them mowing your yard so if you are able or can get some help in getting your yard cleaned, will be very much helpful in maintaining your yard.

Office of Environmental Health & Engineering Brownfield Tribal Response Program

What is a Brownfield?

Do you have land that you want to use for a business, park, or for cultural purposes, but are worried about possible contamination? If so, you may have a Brownfield site.

Typical Brownfield Sites Include:

- ◆ Abandoned Factories/Buildings/Homes
- ◆ Burned Homes
- ◆ Buried Dump Sites
- ◆ Open Dump Sites
- ◆ A Large Amount of Tires
- ◆ Former Cattle Dip Pit Sites
- ◆ Barrels of Unknown Substances
- ◆ Old Service Stations
- ◆ Oil Storage Facilities
- ◆ Oil/Gas Well Sites
- ◆ Old Dry Cleaning Businesses

The EPA defines a brownfield site as "...real property, the expansion, redevelopment, or reuse of which may be complicated by the presence or potential presence of hazardous substances, pollutants, contaminants, controlled substances, petroleum or petroleum products, or is mine-scarred land."

If you have a Brownfield site that you would like to develop, or if you know of a possible Brownfield site, please contact:

Absentee Shawnee Tribal Taxes

A variety of tribal taxes are currently assessed and collected by the Absentee Shawnee Tax Commission to generate revenue used by the Absentee Shawnee Tribe ("the Tribe") to benefit our Tribal Members. These tribal taxes, their due dates and reporting and payment requirements are outlined below. If you have questions or need assistance with your tribal taxes, please contact the Absentee Shawnee Tax Commission by phone or at the address found at the bottom of this document. You can also visit our website for more information.

Sales & Lodger's Tax

The Absentee Shawnee Tribe levies a **6% Sales Tax** on the gross receipts of anyone engaging in business within the Tribe's jurisdiction, including receipts from:

- Performing services
- Selling tangible personal property
- Leasing or renting tangible personal property, lodging or hotel rooms
- Admission fees to any place of recreation or entertainment

An additional **5% Lodger's Tax** is imposed on gross taxable rental receipts from hotels, motels, resorts, lodging houses, or other premises occupied for fewer than 30 days. **Both Sales and Lodger's Taxes may be passed on to consumers.**

Severance Tax

The Absentee Shawnee Tribe levies an **8% Severance Tax** on the gross market value of all oil and gas products severed from the land within the Tribe's jurisdiction. The tax is not levied upon any Indian royalty payments.

To calculate the **Severance Tax**, you must first calculate the volume of oil and gas products separately, as outlined in the table below. Multiply the total volume of each by their gross market value, then subtract any allowable Indian Royalty Deduction to arrive at the total taxable amount. Multiply the total taxable amount by 8% to arrive at the amount of tax due.

Total Product Volume

×

Gross Market Value

-

Indian Royalty Deduction

=

Total Taxable Amount

Total Taxable Amount

×

8%

=

Total Severance Tax Due

Application for Business License

All businesses located within the Tribe's jurisdiction must obtain a business license from the Tribe for a \$100 fee. The Application for Business License, available from the Absentee Shawnee Tax Commission, must be renewed each year by January 1.

Sales & Lodger's Tax Reporting, Payment & Penalties

The Sales & Lodger's Tax return must be submitted to the Absentee Shawnee Tax Commission by the 15th of the following month. For example, for gross receipts collected from March 1-31, the tax return would be due April 15. Businesses that fail to file and pay this tax on time will be assessed 12% annual interest on the total amount due, plus a penalty of 2% of the tax due per month, up to a total of 12% of the total tax due.

Designation of Agent Form

A person responsible for meeting all obligations of the Severance Tax, including reporting and payment of the assessed tax, must be designated in writing. The necessary Designation of Agent Form is available from the Absentee Shawnee Tax Commission.

Severance Tax Reporting & Payment

Reporting and Payment of the Severance Tax to the Absentee Shawnee Tax Commission is due within 45 days following the end of the calendar month in which the taxable product was severed. For example, if taxable products were severed in March, the tax return and payment would be due by no later than May 15.

How to Calculate Total Oil Volume	How to Calculate Total Gas Volume
The total volume of severed oil taxable products—before any deductions are taken for processing, transportation, industry-standard shrinkage, etc.—is measured either according to current contracts of sale between the operator/producer and the purchaser; or in barrels of 42 U.S. gallons of 231 cubic inches per gallon, at a temperature of 60° F, per U.S. Geological Survey regulations.	The total volume of severed gas taxable products is measured at the wellhead—before any deductions are taken for processing, transportation, industry-standard shrinkage, etc.—in units of 1,000 cubic feet (MCF) and corrected to standard temperature and pressure, per U.S. Geological Survey regulations.

Now Accepting Credit/Debit

Effective May 1, the tag office will be accepting credit/debit cards.

Please note: a convenience fee of 2.75% will be added.

A Little Note from The Tag Office

Did You Know....

Any name changes that may occur

(i.e. marriage, divorce, etc.) need to be updated

through enrollment, BEFORE any new

registrations or renewals can be processed.

PHARMACY SERVICES

Your health is our first order.

Prescriptions, medical supplies, helpful advice. The trained pharmacists and supportive staff at each of our AST pharmacy locations are happy to serve you in person or on the phone.

Please allow 24 hours for refills. When you call for refills, have your medication numbers ready and use our automated system. If you'd like to receive a text when medications are ready, share your current cell phone number with a pharmacy staff member. It's also important to let us know about changes in address, phone numbers, insurance and other contact information.

LITTLE AXE HEALTH CENTER

15931 Little Axe Drive

Norman, OK 73026

405.292.9530

Lobby:

Mon - Fri 8 a.m. to 5 p.m.

Regular Drive-thru:

Mon - Fri 7:30 a.m. to 5:30 p.m.

Extended Hours Drive-thru:

Mon - Fri 5:30 p.m. to 8:30 p.m.

SHAWNEE CLINIC

2029 South Gordon Cooper Drive

Shawnee, OK 74801

405.376.5855

Lobby:

Mon - Fri 7 a.m. to 5 p.m.

Drive-thru:

Mon - Fri 7 a.m. to 5 p.m.

Extended Hours:

Mon - Fri 5 p.m. to 8:30 p.m.

Sat - Sun 9 a.m. to 5 p.m.

Closed Sundays & Holidays

Extended Hours Rx is available ONLY for Placare Clinic prescriptions and AST member emergency room visit fills.

Both pharmacies are closed the first Wednesday of every month from Noon-5 p.m.

24-HOUR EMERGENCY PHARMACY ACCESS

If you experience an emergency later after hours and require a prescription that needs to be filled that same evening, AST Health has provided access for Tribal members only at three (3) approved Walgreens locations in Shawnee and Norman. You will need to submit your prescription, and it is mandatory to identify yourself with your AST CDB card and other appropriate ID. Then, they will fill your prescription. You will have a five-day limit on your prescription. Upon the first work business day, you can have the remaining balance of your prescription(s) transferred to your AST pharmacy in either Shawnee or Little Axe, and they will fill your remaining balance. The three (3) AST Health-approved Walgreens service locations are 1627 North Harrison Street or 600 Shawnee Mall Drive, Shawnee, OK or 615 West Main Street, Norman, OK.

STRENGTH OF TRADITION PROJECT

Funded through SAHMSA Native Connections Grant in providing support by:

- Extending an out outreach through community partnerships to increase awareness of Substance Abuse and Suicide Prevention in the community.
- Increasing the participation of youth, parents, tribal leaders, and health providers in developing mental health service and treatment options based on the cultural values and practice of the Native community.
- Easing the impacts of substance use, mental health illnesses, and trauma in native communities.
- Supporting youth as they transition into adulthood.

If you would like to know more about this program, please contact us:

ASTHS July Monthly Update

By Mark E. Rogers, MAL, FACHE, CMPE, CHC
AST Health Systems Executive Director

The AST Health System is having our annual health fair on 12 July this year and it will be another exciting event. We have several wonderful healthcare vendors and other industry vendors from around the area including other guests returning to help us again at this year’s event. We will also have several door prizes and other gifts free to all attendees! There will be plenty to do and tons of information provided to all regarding health, wellness, fitness, and access to care for you and your family. Please see the various advertisements for more information too numerous to list here. The health system continues to expand services and programs to our Native American population with our Specialty Clinic. Our PlusCare Clinic hours will be changing in July from 8am to 8pm M-F; and 9am to 5pm Sat and Sun. Last patient is seen half an hour before closing. PlusCare in LittleAxe and Same Day in Shawnee Clinics are for established patients with an assigned primary care provider. Beginning in July, we will continue to see all patients “one-time only,” but if you do not follow-up with an assigned AST Health System primary care provider, and establish care with the health system, we will no longer be able to continue to see you with this walk-in after-hours service only. The after-hours clinics are for “established patients” of the health system, and we are experiencing dramatic increases of patients abusing this service outside our service area (without establishing care with the clinic), which places both the provider and the patient at risk for a potential negative clinical quality outcome without an ongoing patient treatment or patient care plan with the clinic. Also this negatively impacts our other services and the pharmaceutical benefits enjoyed by our patients by allowing non-established patients to dilute resources for our established patients (specifically not being counted as an “established patient” for funding of our program and our user population report used by the I.H.S. for resources decisions).

Our new state-of-the-art e-Clinical-Works health record system continues to improve access and patient control over their health! Please ensure you update all of your family’s information so that it stays current, and please use the new app “Healow” which stands for “health and online wellness” which will be your AST Health System’s Patient Portal to control several aspects of your health-

care! Kiosks have been deployed at various locations in the health system that allow you to remotely check into your appointments, so lots of great things continuing to come online with our new system! The Kiosks periodically reboot, so we now have a daily systems check to ensure systems are operational at all times, as some patients have experienced Kiosk down time as a result of these reboots. See your registration staff or providers for more information and please be patient with us as we continuously work to improve these new services.

We are always thankful and very proud of our outstanding star performers, and thank them all for their contributions to our patients, their fellow employees, and the tribe! Employee Awards and awardees are listed below. The AST Health System always strives to make your health its top priority, and you all make a difference for our health system and the health and wellness of all of our patients!

June Health Employee Awards of the Month

Employee of the Month
Nurse Practioner Dustin Alexander, PlusCare

Team of the Month
Behavioral Health Team
(Shawnee and LittleAxe)

Special Leadership Award
Jason Bender, Health Maintenance

Mark E. Rogers, MAL, FACHE, CMPE, CHC
Executive Director

A slight change in times, the same great care.

NEW HOURS STARTING IN JULY.

In July, our Shawnee Regular and Walk-in Clinic, PlusCare Clinic and pharmacies will begin NEW hours of operation. We think this will help us be even more efficient in our services. And as always, we're here for you.

PLUSCARE CLINIC

4 Ways Gardening Can Help Improve Diabetes

What to plant, when to plant, and other health benefits of gardening.

Gardening is a pastime that many people enjoy. In addition to getting outside and creating a beautiful space for you and your family to live in, gardening has extra health benefits that impact everyone who makes the extra effort to get outside. Gardening may also reduce the impact diabetes has on your life.

No matter where you live in the country, there are ways to make sure you can get the health benefits that come from digging in the dirt. The growing season may be long or short, but you can see the impacts gardening has on your health all year round.

#1. Gardening burns calories

Did you know that gardening can **burn 250-500 calories per hour**? Tending plants, weeding, mowing, and pruning flowers may not seem like it's a lot of activity, but gardening can offer a surprising amount of exercise, even for the casual gardener.

#2. Stress Reliever

Gardening can also **reduce stress**, according to a report entitled "The benefits of gardening and food growing for health and wellbeing." The report stated that spending just 30 minutes outside reduced the levels of cortisone, the stress hormone, in peoples' brains. In addition to getting outside and interacting with your environment, you also have the chance to see the growth and changes your garden undergoes throughout the year. Seeing the final product of a successful gardening season enhances feelings of accomplishment and can also reduce daily stress.

#3. Health and well-being for diabetics

Besides getting out and breathing fresh air, gardening exposes us to natural light. In a world where we spend so much time under artificial light, we may not notice that our lack of energy or motivation may have to do with how much time we spend inside. **Exposure to sunlight helps promote bone and muscle growth and maintenance** that, in combination with exercise, greatly benefits people with diabetes. In a study published in the *Journal of Endocrinology & Metabolism*, researchers found a link between a lack of vitamin D and an increase in the level of risk associated with developing

VACCINES FOR TEENS

Keep your adolescent vaccinations up to date

Kids grow out of many things, but vaccines aren't one of them. Every year in the U.S., 2.5 million people die from vaccine-preventable diseases. Because adolescents are at risk for many of these serious diseases, immunization is especially important. Ask your healthcare professional about all recommended vaccines to protect your child.

Remember the 4

- HPV (Human papillomavirus) - The vaccine is most effective at preventing associated cancers for both boys and girls when given during preteen years.
- Meningococcal - Two types of meningococcal disease vaccines protect against the most common serogroups. Teens should start the ACWY vaccine at 11-15 years old, with a booster dose between 16 and 18 years. They may also get the serogroup B vaccine at 16-18 years of age.
- Tdap (Tetanus, Diphtheria, and Pertussis [whooping cough]) and Td Booster (Tetanus and Diphtheria): Adolescents should receive a Tdap vaccine between the ages of 11-12. Regular boosters of Td vaccine are recommended every 10 years to protect those at risk.
- Flu - Flu season typically starts in October, and the virus can mutate each year. Annual vaccination is recommended.

Did you know that in the U.S.:

- 14 million people are infected with human papillomavirus (HPV)—mostly teens and young adults—leaving them vulnerable to associated cancers later in life?
- 21% of all meningococcal disease cases are preteens, teens, and young adults, ages 11-24?
- Up to 200,000 people are hospitalized annually due to flu-related complications?
- There were an average of 200,000 cases of pertussis each year before the Tdap vaccine was available, and since then, cases of the disease have decreased more than 80%?

80% decrease

CDC-recommended vaccinations for adolescents:

Every year	Flu vaccine
AGES 11-12 years <ul style="list-style-type: none">HPV (2 doses)Meningococcal ACWYTdap	AGES 13-15 years <ul style="list-style-type: none">Meningococcal ACWY (if not previously vaccinated)
AGES 16 years <ul style="list-style-type: none">Meningococcal B*Meningococcal ACWY booster	AGES 17-18 years <ul style="list-style-type: none">Td booster every 10 years

ASK YOUR HEALTHCARE PROVIDER if your adolescent needs a catch-up vaccine to protect them from

- Hepatitis A
- Hepatitis B
- Chickenpox
- Polio
- Measles, mumps, rubella (MMR)
- Pneumococcal disease*

UNITY United for adolescent vaccination

For more information, visit www.unityresources.org

* Adolescents 16 or younger with a close blood relative who has been vaccinated against ages 16 through 17 years
