**Health care alert:** Clinic patients need to fill all their prescriptions by noon on Wednesday Nov 23rd. The clinics and pharmacy will be closed from noon on Nov 23rd to reopen on Monday Nov 28th at 7am.
Fellow Tribal Members;

Thanks to you all who attended the General Council, it was the most POSITIVE group we have seen in a long time, thanks again.

Health programs; you all had good information for our people, and everyone was very helpful with needed information about our new clinic and how all of our medical areas work together.

Thanks to Gary and Cindy for the healthy breakfast, thanks to our Elders Council for the lunch.

I heard great comments about the health fair; it was the most informational health fair tribal members have seen in a long time, thanks Gary and Beverly.

We have never had a good group of people as we do now who sit on this executive committee who CARE FOR THE PEOPLE, and we try to take care of all of your problems, if we can. I know I can’t take care of these problems alone, but we all can work together. Thanks Isaac, Jeff, Kathy, and Teresa, together we can move our tribe forward and make our tribal membership prosperous.

On the other side; if “RUMORS” controlled this Tribe, wouldn’t we be in trouble? Shirley, if conducting tribal funerals was so lucrative, why don’t we have more persons interested in conducting them and other ceremonial functions? Let’s use common sense before we start helping those who wish to spread these rumors!

Anyone who needs any type of assistance please feel free to call us, we are here to help, if we can.

Everyone have a safe and happy Thanksgiving.

Governor George Blanchard

I would like to thank everyone that attended General Council. I haven’t researched the number, but have heard that this was one of the largest crowds ever in attendance.

A lot of positive comments came out of the meeting. Not everyone was 100% pleased but that’s the way of things. It was my perception that the majority of the attendees were satisfied with how the tribal government is being operated. Everyone knows that we are pulling ourselves out of a tough time, during a tough time. Knowing that the tribal members are behind us in turning small successes into larger successes and getting the tribe back to where we were and beyond, makes it all worth it. We’re all in this together.

We have been reporting on what roads are going to be worked on for the past several months. The County has started moving earth on Kings Road in Pottawatomie County and the Tribe is ready to enter into a contract with District 1 to complete a chip and seal on that mile of road. Cleveland County has started on Pebby Road. We have already entered into the contract with Cleveland County on resurfacing six (6) miles of Pebby road. We’re moving towards getting these routes finished and starting on the other routes. It was the Tribe’s intent to do Franklin before starting on Pebby, after discussion with Cleveland County Commissioner’s we flipped these two routes. Franklin Road will be started in early spring. The construction contract between Silver Star Construction and the Tribe has been signed and Silver Star has received the notice to proceed on that project.

The Tribe has started a pest control program. As most programs elders will receive priority and then it will be on a case by case basis after the elders are served. For more detailed information or to receive an application for this service please contact Andy Warrior @ (405) 275-4030, Ext. 189.

Respectfully,

Isaac Gibson, Jr.
Lt. Governor
Greetings Tribal Members:
The fall General Council meeting took place a little over a week ago, on October 15th, with a better-than-average turn out with 119 tribal members signing in, 9 guests and 26 employees. We had booths set up in the lobby of the Resource Center that provided helpful information on services we provide. The health department conducted a health fair before the meeting in tents behind the Resource Center. They provided a lot of useful information to visitors and administered flu shots to those who needed them. Reports were provided by each Executive Committee member, Health, ASED A and Thunderbird Casino. Overall, it was a good meeting with lots of food and an abundance of useful information exchanged.

I know that many of you were unable to attend the general council meeting, so I’m including information from my oral report in this month’s newsletter. The following is a summary of my general council report.

Thank you all for coming today. I would like to begin by congratulating the Little Axe High School Softball Team for winning their second state championship (back-to-back champions) this past Tuesday. The team consists of several Native American players including some that are members of the Absentee Shawnee Tribe. We are sponsoring a celebration event for the team on October 18th at the Resource Center at 7:00 p.m. that is open to the community. Please attend and help us celebrate this great achievement by this team.

I’ve been in office for a little over 3 months now and I want to take just a few minutes to let you know which departments fall under the oversight of the secretary’s office, and to tell you about some of the projects that we’ve been working on.

1. OFFICE OF ADMINISTRATIVE SERVICES – Responsible for maintaining records of resolutions and General Council meeting notes, among other things. Assistant – Jerry Knox

2. ENROLLMENT – Responsible for researching enrollment applications. Director – Larry Buckley

3. MANAGEMENT INFORMATION SYSTEMS (MIS) – Responsible for the administration of computer systems, website, and the integration of new technology. Director – Rico Coon

4. PROCUREMENT – Responsible for procuring goods and services for the tribe at the very best possible rates. Director – Becky Prewett

5. RECEPTIONIST/TELEPHONES SYSTEM – Responsible for the receptionist and telephone system at the complex.

Some of the things we’ve been working on include:

   ENROLLMENT – We recently had our very first opportunity to utilize DNA testing to confirm family lineage. We partnered with the health department on collecting the sample. This technology is just starting to be used by tribal governments for enrollment purposes and we’re really not sure, at this point, how it might be used in the future.

We started some project improvement teams using members of my staff.

TELEPHONE IMPROVEMENT PROJECT - We automated some of the call routing so that calls go directly to the department without human intervention. This resulted in a 55% decrease in the number of calls coming into the receptionist and allows us to provide faster response times and less busy signals being received by people calling into the complex. The employee directory has been updated with all the names of employees and extension numbers, and this information is now available on the website. We’re using some of the enhanced features of our telephone service to make it easier for you to reach us. For example, if employees will be away from their telephone for any length of time, they can now call forward their calls to their cell phones or other numbers outside the complex. This service was not previously available to employees. So Hopefully, you’re experiencing better service when you call into the complex.

This project team also conducted a telephone audit in August to find out if there were any telephone lines or services that could be eliminated or consolidated to save money. We found several telephone lines and data circuits that were no longer being used. For example, we found an alarm circuit that we were paying $678 per month that had not been used for about 8 months. We disconnected it. In addition, we found several cases of unauthorized charges being billed to us on a monthly basis (some for several years). For example, we found an erroneous charge of $39.95 that had been billed to us since 2005. We disconnected this service and arranged for an adjustment for 66 months. In all, the annualized savings on the services discontinued and adjusted totaled more than $23,000. This project team is wrapping up now but we will continue to follow up to make sure all of the adjustments we’ve been promised are realized.

WEBSITE IMPROVEMENT PROJECT - We formed a new project team in September to improve the Absentee Shawnee Tribe website (www.astribe.com). The team decided we need a pretty major overhaul of the website and we’ve been meeting weekly to work on this project. The goal is have a very professional appearance, with updated and pertinent information that is easy to understand, and is easy to navigate through. We plan to complete this project by the end of the year. I think you’re really going to like the new website.

YOUTH PROJECT - My next project will be a joint project with Representative Gibson to implement a new program to recognize a High School Athlete and Academic Scholars of The Year Award for both a male and female HS student. These awards will most likely be geared towards HS seniors and will be open to seniors all over the nation. We have not started on this project yet, but hope to have in place before the end of the year.

SMOKE SHOPS AND RESTAURANT – I am partnering with ASED A with the administration and oversight of the smoke shops and the restaurant. We’ve been busy reviewing the work pro-
cesses and financials for these operations and are in the process of making some changes that will help us be more cost effective and increase revenue. For example, we introduced a resolution that reduced the amount of tax that the Smoke Shops pay on cigarettes. This will allow us to lower the cost to consumers and help us to be more competitive with other grocery outlets and Smoke Shops. We obtained approval for Pay-At-The-Pump gas service at the convenience store and hired a new restaurant manager and accounting firm. We added additional security surveillance and lighting at the restaurant to help secure employees, patrons, and tribal assets.

In the future, I want to partner with others to work on projects that will make a difference in the lives of tribal members. I want to stay involved with the Thunderbird Entertainment Committee (TEC) and the Health Board(s) so that I am knowledgeable of the issues that affect our performance. These are our Tribe’s largest assets and I want to make sure that I am doing my part to help us move forward for the future.

We continue to be busy with day to day functions here in the Office of Treasurer:

- Monthly Program Directors/Managers meeting here at Tribal Complex
- Monthly health authority and LiSiWINwi board meetings as adhoc non-voting member and monthly construction meeting held at Shawnee Clinic and AST Resource center.
- Cobell Trust Land Consolidation Program Tribal Leaders Consultation meeting in Okc, OK. As of this writing, six (6) appeals have been submitted as “Notice of Appeal”. All appeals were filed within the timeline. The federal district court judge will have to hear these appeals before the settlement will be released. Not sure how long this process will take, depends on the Federal district court judge. You can go to the website: http://www.doi.gov/cobell to view court documents, settlements, etc.
- Attended NAFOA conference in Uncasville, Connecticut. Many good subjects concerning Native Americans such as updated IRS (tax issues) and tribal taxation policy, tribal leadership roles in economic development, tribal minority trusts and financial literacy, new revenue & cost savings in healthcare & tribal operations, etc.
- ASED A Board Monthly meetings and ASED A Fleet Special meeting as Ad Hoc non-voting member
- Executive Committee had a regular scheduled meeting and a special called meeting. See Resolutions Page.
- Congratulations to Executive Committee’s Employee of Month November Winner, Belinda Collins, Controller, Finance Department
- Budget Proposal by appropriations committee concerning the Pell Grant Eligibility may be going through changes that would impact students such as: Pell Grant eligible and on average make slightly over $40,000 per year, students enrolled less than half time, students who are eligible for less than 10% of the maximum grant award, and students without a high school diploma or GED. So be on alert and watch the news.

Sincere appreciation goes out to the ladies of the Finance Department and the Controller, Belinda Collins, as they continue daily the never ending processes for the financial side of the Absentee Shawnee Tribe. Without their tireless dedication and commitment we could not keep the financial transactions processes flowing!

Also, would like to extend my appreciation to the Financial Consultant, Eddie Brokeshoulder, who continues to assist me with numerous projects, attend meetings where I cannot attend, and consulting decisions in the office of Treasurer!

We appreciate all your phone calls, emails, and visits. May God continue to bless you and yours! See below articles from AllNations Bank; ASED A (ASEDA FLEET), Financial Consultant, Eddie Brokeshoulder; and Finance Department.

Respectfully,
Kathy Deere, Treasurer

**TREASURER’S Report**

Greetings Tribal Members,

So glad to see everyone at the 68th General Council Meeting on, Saturday, October 15, 2011! Seems it was one of the best attended GC meetings in a long time! Thank you all for taking the time out to come to the health fair and listen to what is going on with our Absentee Shawnee Tribe. From now on out of 2011 holidays will be fast coming upon us.

It is with sadness to hear about Elouise Cobell passing and not being able to see the fruits of her 15 year fight with the federal government over mismanagement of trust accounts maintained by the United States on behalf of more than 300,000 individual Indians. Our thoughts and prayers go out to her family!

**FINANCE DEPARTMENT OCTOBER 2011**

The Finance office continues our efforts in keeping the day to day activities flowing efficiently and effectively through communication between the Finance office and Programs. In working together, we have found the most time effective and cost effective processes for transacting business.

The Indirect Cost Proposal for 2012 has begun. Our rate is up from 17.74% for 2010 to 21.98% for 2011 and we have the first draft of the 2012 rate. Adjustments will be made before the final is sent to National Business Center for finalization and approval.

We began the budget process for 2012. Revenues for 2012 are estimated from the first ¾ of the year. (Calculate revenues through September 30, 2011 divide this number by 3 then times it by 4 to get an an-
The Tribe currently has compact funds of BIA and I H S, 51 Grants, and the new Clinic business.

The Absentee Shawnee Tribe’s Finance Department has very hard working group of people and it is an honor to work with them, the Treasurer’s office and at the Absentee Shawnee Tribe.

This department, as always, would like to extend a special thanks and note of appreciation to the Executive Committee for providing the tools, resources and support to enable the finance staff to reach its accomplished goals and to continue with this effort. A special thanks and note of appreciation to Program Managers and Employees of the Tribe for their assistance and dedication in our group effort toward accomplishing our goal. Now that we are caught up, we are dedicated to continue our efforts in this direction.

If you have any questions or needs, please call 405-275-4030 ext 162 and I will be glad to assist you in any way I can.

Respectfully, Belinda Collins, Controller

**FINANCIAL CONSULTANT**

Hello Tribal Members,

Our 68th Semi-Annual General Council Meeting of October 15, 2011, has come and gone, with a very good turn-out being reported. The office of Treasurer was well represented with a table of informative financial information such as Revenue and Expense report of January – August 2011 month end unaudited and a list of all grants and contracts. Office of Treasurer would like to take this time and thank tribal members for coming by and picking up financial hand-outs.

The following activities I have been involved and participated.

**General Fund:** Reviewed and analyzed Treasurer’s monthly general fund encumbrance report.

**Indirect Cost:** Reviewed and analyzed Treasurer’s monthly Indirect Cost encumbrance report.

**Absentee Shawnee Economic Development Authority, Inc. (ASEDA):** Attended monthly board meeting discussing current business operations and future business opportunities.

**Redstone Investments:** Attended monthly financial investment meeting, topics included current investment strategies as well as future investment options.

**Greater Shawnee Chamber of Commerce:** Attended 2011 Chamber Auction “A Tasty Affair.” event that provided a vehicle for business community and restaurants to showcase products and services. The event allowed Absentee Shawnee Tribe to be recognized and promoted through the Shawnee Chamber of Commerce.

**Central Oklahoma Community Action Agency:** Met with local representative Tina Lowery, to discuss the Central Oklahoma Transit System, a community action partnership opportunity. I met Tina Lowery, as a result of previously attending an A.A.R.P. meeting in Shawnee.

In closing, should you have any questions, please contact me at 405-275-4030 ext 148.

Respectfully,

Greetings fellow Tribal members,

As we stated during the General Council meeting, we have been very busy in the pursuit of business opportunities this year. The ASEDAFLEET business is gaining some momentum and should start seeing some monetary gains soon.

We are working with Secretary Teri Reed trying to help her streamline the operation of the Tribal stores and restaurant. Teri faced a monumental job, and has been doing great work in her efforts to turn these entities around.

Our dependency clinic Absentee Shawnee Counseling Service started billing at the OMB rate on October 1, 2011 and we should see good things from it in the next few months.

Our service company Gov-Con Services is just about ready to start bidding on some government contracts due to the efforts of Mr. Sharrod Tabbytite who has been working with us on consultant basis the last few months and has been invaluable in the completion of this project. It is our hope that this project will bring not only substantial monetary gains to ASEDA and the Tribe, but also some much needed job opportunities.

In regards to Mr. Tabbytite, we regretfully received news that Sharrod has been offered, and has accepted the opportunity to assume Directorship of the Fort Sill Apache Economic Development Division. We regret losing Sharrod, but we also realize what a great opportunity this will be for him. Sharrod’s keen business knowledge and understanding of doing business in “Indian Country” has been a great asset to our goals this year. From all of us, Dan, Adam, Lyndale, and Kathy, thanks Sharrod, and good luck with those Apaches.

Dan Little Axe,
President, ASEDA Inc.

Absentee Shawnee Tribal Members,

I have been very busy lately with the programs that I oversee and I would just like to wish every one a very Happy Thanksgiving.

TERO recently attended a banquet held by the Cherokee TERO which is the largest TERO in the nation. The banquet included over 150 Indian owned business and subcontractors. The Absentee Shawnee TERO had the privilege of meeting with many of these vendors. One of the vendors was Red Stone which is owned and operated by a Shawnee Tribal Member and received the TERO Rookie of the Year Award. TERO is hoping to continue building relationships with Indian owned vendors in order to further our tribe’s TERO and ramp up our job opportunities for our tribal people.

Motor Vehicle Passenger Safety

BUCKLE UP! SOMEONE NEEDS YOU!

Did you know?
Your weight multiplied by the speed your vehicle is traveling equals the amount of force your body experiences in a motor vehicle crash.

Motor Vehicle safety is good practice for everyone. It is important to practice proper use of seat belts to ensure you make it home to those who matter most. For Native American’s between the ages of 1 to 44, Motor Vehicle crashes are the leading cause of death. In many cases, seat belts could have prevented those lives lost.

Why Use a Seat Belt?
Seat belts keep people from being thrown out of the car. They also hold you at the strongest points of your body (the hips and shoulders), spreading out the force of the crash on your body, protecting the neck and spine. Avoid Putting the shoulder belt behind the back or under the arm of children or adults because it reduces the protection to the neck and spine. Common excuses for doing this are that the seat belt is uncomfortable or it might wrinkle clothes. Don’t be a statistic, use lap and shoulder belts every time for every ride!

According to the National Highway Traffic Safety Administration, six of 10 children who died in car accidents in 2005 were not wearing seat belts.

Prevent Injury to Those Who Matter Most.

Effective Immediately
the AST Injury Prevention Program will be located at the Little Axe Clinic 7 days a week 8am – 5pm. Services in Shawnee will be available by appointment ONLY.

For Child Car Seat Checks and replacements contact AST IP Coordinator, Sacha Almanza at 405.360.0698 or stop in the Little Axe Clinic for questions on services.

BUILDING BLOCKS

Here at Building Blocks we have enrolled many new children to get the center close to full capacity and lowered the number of children on our waiting list. We have succeeded at this very well and have eliminated a number of children on our waiting list. The fall season has brought about many fun filled activities for the children here at Building Blocks! We have had many of our local community such as a fire engine, police cars, and an ambulance to teach the children about fire safety and other things, and that has been a lot of fun along with our annual trick-or treating around the complex and Halloween parties here at the center. In this month to come we look forward to our awesome thanksgiving lunch with the kids and their families that we prepare every year, it’s always a big feast. We also had fun having a spirit week here at the center for red ribbon week, dressing up in our pajamas, 80’s day, sports hat/shirt day, and Halloween shirt day and most of all our Halloween costumes. We had a door contest that a few volunteers around the complex came and judged for us. We are looking to hire a couple new part time floaters to join our team here at Building Blocks!

RACHEL HOWELL
October 2011
Submitted by Johnnie Hagan and Randy Edge

She came to work here in August when the Realty Department was in chaos and has worked diligently to right all the mistakes that had been made and make sure that the program is in compliance with the Federal requirements. She has worked many hours overtime to meet deadlines, get the department ready for the Trust Review Audit in November, meet with Tribal members, oil company representatives, auditors, executive committee members informed, and has requested no compensation. She communicates with the B.I.A. staff on a daily basis to get keep in compliance with federal regulations and obtain the necessary approval for processing documents. She strives to make sure all the paperwork is correct before submitting it for approval so that it won’t be returned and waste valuable time in accomplishing the task. Rachel has delivered all expectation of how Realty department sincerely was needed in court cases. She does her job well, especially, after the tribe won the court case involved. She mentioned how important it was for her to give the best efforts in obtaining the attorney requests. Rachel has a sense of pride in her work and responsibility to the tribe. Rachel not only has a hard working ethic about her; but a pleasant personality in conversation, which is a great model of an AST employee. She is an invaluable employee and has an invaluable knowledge of Realty and many years of working experience. She is an exemplary employee, and deserves this honor. Her humor and determination of a job well done deserves recognition of the tribe as Employee of the Month!

BELINDA COLLINS,
November 2011

We would like to nominate Belinda Collins for employee of the month. Belinda is an outstanding example of the type of employee that goes above and beyond the expectations of her job on a consistent basis. She does whatever it takes to ensure her work and the work of her department is accurate and on time. She handles questions, requests, and projects from employees with care and consideration, and this instills confidence that the answers she provides are well thought-out and accurate. She energetically leads her group to work hard at whatever task is at hand and leads by example. She is creative in coming up with solutions to problems, overcoming roadblocks, and is an asset to our tribe. Incredibly loyal employee who treats others with respect and kindness. She’s very outgoing, will go out of her way to help anyone, and always has a smile and kind word with whomever she comes in contact with. She never gives up on any challenge placed before her, fights for what is right and what she believes in. The Absentee Shawnee Tribe is fortunate to have her as a member of our team.
Hello to all our AST members!

First, I offer apologies for not submitting information for August 2011 meeting but I had to spend some time recuperating from foot surgery and I am pleased to pass on a big “Thank You” to Emily Longman who filled in for me during that time and following is a summary of her minutes for the **August 27, 2011** Elders Council meeting which was held at Horse Shoe Bend Community Center. The meeting had been postponed due to President Dan Little Axe and Treasurer Betty Watson accompanying elders on a trip to Canada sponsored by the Governors’ office, Vice-President Gene Parker was in Hawaii and yours truly, recuperating from foot surgery. A quorum was established and the meeting called to order at 10:34 a.m. The invocation was offered by Elroy Alford. Birthdays were recognized for Margaret Ellis and Diana Kay (D.K.) Johnson. Minutes of the July 16, 2011 meeting were not available. The Treasurers’ Report was presented by Betty Watson. The Elders Fund Raising account balance was given to be $4,381.55 which had been moved to AllNations. The AST account balance was given to be $73,317.27 at the end of July 2011. There was a question about copy costs and it was agreed that the copy paper stored at the tribal complex be located for future use. A motion to approve the report was made by Sue Blanchard and seconded by Serena Daugherty. The motion carried.

Old Business saw the subject of a cook book brought up again for discussion. Elroy Alford offered information to the group on behalf of his wife Jan who has heading the committee on this effort. Members to this committee are Stella Little, Jerri Roller and Donna Butler. Information from a recent workshop was given and following that, president Little Axe suggested that we continue with our efforts in collecting recipes for publication in a cook book. Pow Wow: The Veterans Day Pow wow was discussed. Woody Wilson and Poncho Walker had resigned from the committee. Remaining members are Kathy and Lloyd Deere, Dora Citty, Sadie Low, Trudy Pickering, Reta Harjo and Margaret Ellis. May Birdtail and Sue Blanchard have joined the committee with Sue being the contact person. There was more discussion and following such, a motion to change the pow wow date to November 5, 2011 from November 12 to accommodate the Comanche Indian Veterans Association’s prior commitment. Gene Parker made that into a motion and it was seconded by Serena Daugherty. The motion carried. There was nothing to report from the Golf Tournament Committee. The Taco sale scheduled for October 1 at Firelake grocery was discussed. Cost will be $6 and a work schedule was again discussed. Contact person is Gene Parker at 613-1139.

New Business: Sue Blanchard stated that the elders trip to Canada was sponsored by Governor Blanchard and Treasurer Deere. Thirty-five (35) elders went on the trip to see the last performance of a tribute of Tecumseh. She further stated that she had a phone list to contact elders and that some phones were not in working order. Mrs. Blanchard stated that November 7, 2011 is the date of the next trip and it will possibly be to Indiana.

General Council was discussed and D.K. Johnson made the motion to serve the meal and it was seconded by Serena Daugherty. The motion carried.

Following discussion of the above business, Sue Blanchard made a motion to hold the next meeting on September 10, 2011 at the Resource Center in Little Axe and it was seconded by Trudy Pickering. The motion carried. It was agreed that a pie/cake auction and 50/50 bingo would be held as fund raisers.

Adjournment: Elroy Alford made the motion to adjourn with a second by Sue Blanchard. The motion carried and the meeting adjourned at 11:50 a.m.

/s/ Emily Longman, Acting Secretary

**ELDERS COUNCIL MEETING, SEPTEMBER 10, 2011**

All Officers were present. A quorum was declared and President Little Axe called the meeting to order at 10:10 a.m. The invocation was given by Georgia Little Axe. Birthday were recognized for Carol sloat, Emily Longman, Governor Blanchard, Meredith Wahpekeche and Treasurer Betty Watson.

**MINUTES - JULY 16, 2011** were available for review and information. A motion to approve was made by Serena Daugherty and seconded by Sue Blanchard. The motion carried. **MINUTES - AUGUST 27, 2011** were available and following a noted correction, the motion to approve was made by Sue Blanchard and seconded by Mary Birdtail. The motion carried. The Treasurers’ Financial report for August 2011 was not available due to non-receipt of the bank statement. A written report will be available at next months meeting.

**OLD BUSINESS:** The Golf Tournament still does not have a firm date or location but attempts to secure such is still being sought. The cook book or recipe book committee has ran into problems with lack of recipes being submitted as well as the possible costs of publishing a book to be sold. Gerri Roller has stated that this committee had not met because there were no recipes submitted for review or any further action. The subject of the Elders Council sponsored Veterans pow wow was discussed again and comments were heard about the location not being secured at this late date as well as the unknown head staff information. The Taco Sale set for October 1 was discussed and schedule for workers was again heard. Gene Parker talked about items needed for the sale.

**NEW BUSINESS:** Mr. Gary Wabaunsee, Health Programs Director was present and reminded everyone of the need to have flu and pneumonia shots. He reiterated the need for an Elders advocate and asked for input on what this position would entail. He also informed those present of the new hours of the Shawnee and Little Axe clinic. One of the most requested service from tribal members was to have the pharmacy open during lunch hours to allow patients to pick up medicine. Hearing about the Elders efforts to sponsor the Veterans pow wow, Mr. Wabaunsee stated that the Health program will donate gift card vouchers for gasoline for some of the head staff. A Health Board meeting is scheduled for Tuesday, September 20 at Little Axe. He also said that at this particular time, he would prefer complaints and/or suggestions be sent directly to him.
There was much discussion on the food items for General Cokuncil which has now been set for Saturday, October 15, 2011 at the Resource Center in Little Axe. A representative from Secretary Teri Reed’s had contacted Elders Council Secretary to say that a letter and invoice as well as a proposed menu for the meal at General Council is needed as soon as possible. Following that, a motion to submit such was made by Sue Blanchard and seconded by Sadie Low. The motion carried.

The next Council meeting will be held at the Title VI Building in Shawnee. A motion to adjourn was made by Mary Birdtail and seconded by Meredith Wahpekeche. The motion carried and the meeting adjourned at 11:25 a.m.

NOTE: The cake/pie auction was graciously handled by Mr. Wabaunsee and his assistance was very appreciated.

On a personal note, I am asking for any tribal members assistance in submitting either traditional recipes or just a favorite recipe that you find easy to make or maybe something you enjoy making or maybe was a special dish made by and perhaps a family member was well known for. If you have any questions, comments or suggestions, please call me. I would love to hear from you!

Sincerely, Cynthia Longhorn
Elders Council Secretary

The regular monthly meeting of the Absentee Shawnee Elders Council was held on Monday, October 10, 2011 which had been rescheduled due to an elder tribal members’ passing and funeral held on the regular meeting date of October 8, 2011. The meeting was held at the Title VI Building on the tribal complex in Shawnee. The meeting was called to order by Vice-President Gene Parker in anticipation of a late arrival of President Dan Little Axe, Sr. Treasurer Betty Watson and myself were present. A quorum of twenty-seven (27) members and eight (8) visitors attended the meeting. Elroy Alford gave the invocation before going into this months’ business.

Birthdays were acknowledged for Roy Alford and David Little, Jr. Minutes for the September 10, 2011 meeting were available for review and after such, a motion to approve was made by David Little, Jr. and seconded by Elroy Alford. The motion carried. The Treasurers’ report of September 2011 was provided and reflected the tribal account as being $5,307.27 and the Elders fund raising account as $3,957.72. There were some questions on these amounts and Treasurer Watson stated that she would be visiting the bank next week to ascertain the correct amounts. That information will be available at next meeting. There was discussion on the current status of fund raising event of a golf tournament, Recipe/cook book and the upcoming November 5, 2011 Veterans pow wow at the Expo Center in Shawnee. There was much discussion on the food that would be provided by the Elders Council for the October 15, 2011 General Council. It was Announced that the Health Program had donated fifteen (15) gas cards to the pow wow committee. Our Thanks goes out to Health Program Director, Gary Wabaunsee and the AST Maintenance Dept., the women that cooked the wonderful meals and brought food, all Landon’s young cousins that carried him and the rest of our family members and friends that stayed with us through it all (too numerous to mention names).

The family of Landon Davenport

We would like to offer a special thanks to George Blanchard, Leonard & Serena Foreman, the AST Maintenance Dept., the women that cooked the wonderful meals and brought food, all Landon’s young cousins that carried him and the rest of our family members and friends that stayed with us through it all (too numerous to mention names).

We are eternally grateful to each and every one of you and you will not be forgotten. God Bless you all!!!!!!!

The family of Landon Davenport
Sherry, Marvin, & Jordan

We would like to offer our many thanks to each and every one of you that offered your support and most of all love, during the loss of our beloved Landon. We were so grateful for the visits, phone calls, texts, flowers/plants, food, drinks, ice, groceries, hugs, kisses, prayers, thoughts, etc., during this extremely difficult time.

Your kind words and memories gave us much comfort and reminded us how lucky we were to have Landon in our lives. He was true gift from God and we are truly blessed! We would like to offer a special thanks to George Blanchard, Leonard & Serena Foreman, the AST Maintenance Dept., the women that cooked the wonderful meals and brought food, all Landon’s young cousins that carried him and the rest of our family members and friends that stayed with us through it all (too numerous to mention names).

We are eternally grateful to each and every one of you and you will not be forgotten. God Bless you all!!!!!!!

Tribal Member, Devin Voyles, 11 year old Dale student, finally gets to enjoy the playground equipment he helped to choose. When the remodel was being planned, Devin offered advice to the White Turkey Band Committee. As a fifth grade student, Devin was chosen to raise and lower the flag each day. He is active in 4-H and recently was elected to serve as historian. Devin is the great-grandson of Stanley and Clara Kaskuske.
Indian elders representing 37 federally recognized Oklahoma tribes and nations were celebrated at an event held at the National Cowboy and Western Heritage Museum on October 4, 2011. AARP National Board Member John Penn was on hand to deliver the keynote address and help present medallions along with AARP Executive Vice President Hop Backus, Regional Vice President Nancy Stockbridge, State Director Sean Voskuhl and State President Marjorie Lyons.

Governor Blanchard was first elected Governor in 2009 and re-elected in 2011. Born in a log cabin in eastern Cleveland County to Lewis and Cynthia Blanchard, he grew up speaking his native language and had to learn to speak English when he started school. He has been a brick-layer by trade, starting his own business in the mid 70’s and working at this trade for several years before going to work for the tribe at the Thunderbird Entertainment Center and Casino. Even to this day, he continues to do extra brick-laying jobs in his spare time. He served as chief of security for the tribal casino for more than 20 years. He later served as a dialect coach, cultural expert and extra for the PBS documentary on Tecumseh. He has also been asked to help with historical re-enactments for many events about the Shawnee Tribe and Tecumseh. He offered the opening prayer at the Centennial Celebration of the Lewis and Clark Expedition in St. Louis. He has been asked to give the opening prayer in the Shawnee language at many ceremonies, dedications, and events. Being one of a handful of tribal members who still speaks the language, he is working hard to ensure the Shawnee language is not lost and teaches the language to the tribal people. In addition, he is working to preserve the culture and tradition of the Absentee Shawnee Tribe.

Governor Blanchard has been married to Linda Sue (Johnson) Blanchard for almost 50 years. They have three children (and spouses): Bob and Denise Blanchard, Virginia Blanchard, and Beverly and Doug Felton. They have six grandchildren (and spouses): Jordan Shaver, Brittany Shaver, Kaylee Blanchard, Lacey and Joe Rudloff, Taylor and Chris Tenner, and Zachary Felton. They also have nine great-grandchildren: Easton Jones; Kirsten Tenner; Dylan, Derek, and Emma Rudloff; and Kandice, Wyatt, Aiden and Kai Felton. Governor Blanchard also has 4 brothers and 4 sisters and numerous nieces, nephews, and other relatives.

The Absentee Shawnee Tribal Police Department would like to express gratitude to the Absentee Shawnee Housing Authority for their generous donation. This contribution has allowed the ASTPD to purchase new equipment that will greatly benefit members of the Tribe as well as the surrounding community. Items purchased include: new vehicles, laptops and software for use in vehicles, body armor and several other much needed items.

The equipment that was replaced was extremely used and many items, including vehicles, were beyond repair. These new vehicles and equipment allow the ASTPD to continue to provide the best services possible while ensuring the safety of the Public and the Officers.

Thank you again to the Absentee Shawnee Housing Authority.

Sincerely,

Students at the after school program have been very busy with school homework and projects at the center. The month of October students have parent and teacher conferences and fall break. Report cards have come in and all students have done very well, parents are pleased with the progress that their children has done the past 9 weeks in school. Teachers has reported progress in students that have been coming to the after school program at Horse Shoe Bend, they have also said they seem to see a change in students school work as they work independently each day. We have another tutor to add to our program. Kassidy Sparks, Kassidy is a Junior at Dale High School and plays on the Dale Lady Pirates Softball Team. We are glad to have Kassidy join us as we do need more tutors here at Horse Shoe Bend. I am trying to implement some kind of incentive to give to our tutors for their time for coming out to help with the students.

One of the projects here at the after school program is students are going to be corresponding with a soldier while the soldier is in active duty. The soldiers name is Justin Coon, he is an Absentee Shawnee Tribal Citizen and in the Army. Students have started writing in letter form and making cards with messages on how we appreciate his service in the Army. We are going to send our first care package of supplies and goodies to him at the end of October. Each month we are going to send a care package to him so if anyone wants to help with our project please let me know. Tutors and I think this a good way of teaching our young students to be appreciative to the men and women that sacrifice their lives for our country.

Students also have been busy decorating our round bales of hay that was donated by Gary and Ramona McCoy, students have spray painted one round bale like a pumpkin. We want to thank the White Turkey Band Committee People for the donation of pumpkins, the students had fun decorating the pumpkins. The pumpkins are displayed in front of the community building. Thank you again.

Fall Break was October 19 thru 21, 2011, I plan activities for the 3 day break for the students in the after school program. Wednesday we went to the OKC Zoo, Thursday we went to the National Memorial & Museum, in OKC then we went on the Canal Water Taxi Ride through Bricktown. Friday we went to St. Gregory’s Museum where the students made mask. They were guided through the museum by Donna Merkt, who did a wonderful job of keeping them interested in the paintings and art work. Then we made our way to the park to have lunch. Lunch was cooked by Annie Wilson and Mary Ponkilla, thank you ladies for your time as the students were very appreciative with the hot dogs. After eating lunch students went to Firelake Bowl, the students played one game and then they played video games. That concluded our busy 3 days. Students had a fun time as they went to places that they had never been. The Thursday trip seemed to have had an impact on them as they asked a lot of questions of how and why. Students were informed by Elaine Brown on Tuesday before the trip to the National Memorial Museum of what to expect if they have never been to the museum. I would like to thank our bus driver Leonard Tiger for driving the bus and seeing that our trips where safe. And for our volunteers that helped chaperon Elaine Brown, Kassidy Sparks, Ramona McCoy, Gwen Switch, Dustin Rolette, Samantha Boyd, Stuart Rolette, Danielle Voyles.

The October student of the month is David Skinner, he is a fourth grader at North Rock Creek School; He is the son of William and Regina McAfee and he has two other brothers Wayne and Jimmy. David has been attending the after school program since August and he attended during the summer when tutoring was offered. David is a very dedicated young man and he is always ready to help others. He enjoys playing our quiz games here at the after school program. Here is David’s list of favorite:

- Color: Black and Red
- Food: Cheese Burgers
- Song: Hello Seattle
- Teacher: Mrs. Bell
- Movie: Hoot
- Animal: Cheetah
- Sport: Baseball
- College Team: OU
- NBA Player: Michael Jordan
- NFL Player: Sam Bradford
- NFL Team: Rams
- Class at School: Art, PE, Computers, Music
- State: Texas
- What do you want to be when you grow up: Teacher, Major League Baseball Player, NFL Football Player, Artist, Police Officer, Car Dealer, Antique Car Dealer.

David received a $25.00 Wal-Mart Gift Card, donated by the White Turkey Band Committee.

We had one student with a Birthday in the month of October. Katie Wilson she turned 6 years old on the 9th of October. We celebrated with cupcakes, birthday card and gifts, Katie is in Kindergarten at North Rock Creek School, and has one brother name Ruben. She is the daughter of Calvin and Annie Wilson.

November 2011 23 HAPPY THANKSGIVING
Most people don’t care for spiders even though these creatures capture and eat other pests. Since spiders are always present outside, they constantly try to move inside. Most spiders seen inside are the web-builders that form the cobwebs in corners, under furniture and along the ceiling. Wolf spiders, ground spiders and other hunting spiders don’t spin webs. They wander indoors while in search of insects to feed upon. Usually, only one to a few spiders may be seen inside, typically on the ground floor level.

You can minimize your risk of spiders entering your space by following the guidelines below:

Regularly remove spiders and their webs indoors using a vacuum cleaner.
Make sure exterior doors have tight seals, especially along the bottom.
Equip outdoor light fixtures beside doors with yellow “bug light” bulbs to attract fewer of the flying insects that support spider populations.

Follow these steps to keep out spiders.

Move furniture and other items away from walls to allow access for inspection and treatment.

Residential Pest/Bug Spraying Service
2011

The Absentee Shawnee Tribe will be providing this service, with priority being given to the elderly, then to any other eligible tribal members. This service is provided by the tribe with a limited amount of funding. The tribe has entered a contract with Terminix to provide this service and will be the only company to perform the service through this program.

After completion of this application, Terminix will be notified and a visitation date and time will be made with the applicant.

**TO PREPARE FOR A TERMINIX SERVICE TO CONTROL SPIDERS**

- Move furniture and other items away from walls to allow access for inspection and treatment.

---

**Follow these steps to prepare for German Cockroach Service.**

German cockroaches are notorious for being difficult to control. Therefore, your cooperation and preparation for our cockroach control service is key to the success of the control program.

**KITCHEN**

- Remove all dishes, food and other items and place them on a table in another room. Cover these items with a sheet or towels.
- Vacuum any particles or small debris from inside cabinets and wipe with a damp cloth.
- Sweep/vacuum under the stove and refrigerator if these appliances.

**FOOD PANTRY**

- Remove items from inside bathroom vanities and any closets inside bathrooms. Place the items inside a trash bag, put them in the bathtub and cover with a sheet or towel.
- Vacuum any particles or small debris from shelves and floor and wipe with a damp cloth.

**OTHER PREPARATIONS**

- Remove pet dishes and water bowls.
- Cover fish tanks with a damp towel and turn off the pump. *Note: Saltwater tanks may need to be removed from the premises as the air pumps cannot be disconnected. Discuss options for areas where saltwater tanks are present (such as cockroach bait only) with your Terminix Service Professional.*
- Pets, including birds, reptiles, etc., should be removed from the premises.
- (In case your Terminix Service Professional recommends) Be prepared to leave the premises after the service and return when the application has dried, usually 2 to 4 hours.
Follow these steps to keep out rodents.

Rodents can bother you any time of year but usually invade during the fall and winter. Larger mouse infestations and rats may require several visits by a Terminix Service Professional to eliminate the infestation.

You can minimize your risk of rodents entering your home by following the guidelines below:

**PROTECT AGAINST RODENTS**

☐ Avoid storing piles of items (e.g. firewood) next to foundations as these can serve as harborage for rats and mice.

☐ Ensure that all doors (including the garage) have tight-fitting weather strips across the bottom.

☐ Seal openings and cracks in the building exterior that are 1/4 inch or larger, especially those near the foundation.

☐ Close openings around plumbing pipes that enter walls under sinks and other locations. Mice often use pipes to traverse from room to room.

☐ Don’t allow pet foods to remain in bowls outside for extended periods.

**TO PREPARE FOR A TERMINIX SERVICE TO CONTROL RODENTS**

☐ Clean any food particle accumulation under the refrigerator or stove.

☐ Straighten any clutter in the bottom of closets or storerooms to allow access for the Terminix Service Professional.

HAPPY THANKSGIVING
VETERANS DAY RECOGNITION

We will have a Flag Raising Ceremony by our AST Veterans Group, November 10, 2011, in front of Building #1 @ 11:00 a.m.

We want to invite all Veterans and current Active Duty Men & Women to attend.

The AST Health Programs would also like to recognize our AST Members who are currently serving our Country. If you know of any AST Member, please provide us with their Name, Rank, and Branch of Service to (405) 878-4702 or toll free 1-877-878-4702 or e-mail wcoon@astribe.com. We would like to receive as many names as we can to be able to place their names on a plaque before Veterans Day.

We are also creating an AST Veterans Plaque to present to our AST Veterans Group to proudly display names of our AST Veterans. Please contact us at the above number or e-mail address with your Name, Rank, Branch of Service, Years of Service, AST Tribal Enrollment number, a current address, and phone number.

A Special “Thank You” to all Veterans and those currently serving in all Branches of the United States Armed Forces.

Grand Opening: Shawnees Opiate Clinic

Wednesday, Absentee Shawnee Counseling Services (ASCS), an outpatient substance abuse treatment clinic specializing in methamphetamine and opiate addictions for all adults, located at 1301 SE 59th St in Oklahoma City, had its Grand Opening. Ray Caesar, Director, Opioid Treatment Authority, Oklahoma Department of Mental Health & Substance Abuse Services, outlined the growing need for such programs in the state.

Absentee Shawnee Economic Development Authority President, Dan LittleAxe, shared the tribe’s commitment to meet this need and Governor George Blanchard finished with a traditional blessing on the clinic.

“We offer Medication Assisted Treatment at these clinics,” states Dan Cross, Executive Director, ASCS, “a SAMHSA clinical best practice proven to get the best results for opiate addiction. National data shows that traditional treatment is effective 8-10% of the time while MAT is effective 70-75% of the time… Often, we can skip impatient detox moving actively addicted people right into outpatient treatment.” Treatment is low cost, with no out-of-pocket expense to people who are Medicaid or O-EPIC eligible. “We treat all adults, Native and Non-Native,” observed Cross. More information is available at http://qcs-okc.com.

Governor George Blanchard, Absentee Shawnee Tribe, remarked, “It is with great pride that the Absentee Shawnee offer one of the best three Opioid Treatment Programs in the state. I think that it is fitting that here in Native America,” a reference to the Oklahoma tourism theme, “that Native Americans offer the top three programs in the state.”

HELPING A SUICIDAL FRIEND
A LIST OF DO’S AND DON’TS

• Do remain calm. This is the most important thing. It is important for you to maintain control and good judgment. The person may feel out of control and will need you to provide a sense of stability and security.
• Do talk directly about the person’s thoughts and actions. This shows you are not afraid of the subject, and that you are interested in the person’s feelings.
• Do show you care. Build trust and a realistic rapport with the person if it doesn’t already exist. Your concern and attention should be conveyed both verbally and non-verbally.
• Do take your time. The suicidal crisis is of short duration and often is just a matter of time before it passes. The time you spend with a suicidal person is of great benefit.
• Do know your limits. Learn to take care of yourself as well as the suicidal friend. Be aware of your values and how they might affect your ability to help.
• Do take a positive approach and emphasize more desirable alternatives. Give hope and reassurance in a positive and REALISTIC way.
• Do help clarify the concept of death. Many youths have a misconception about death, and may think of it as reversible. Remember suicide is forever.
• Do try to understand the root of the pain and conflict. Use constructive questions to
• Do let the person know they are not alone with their feelings. Reassure, in a positive way so as not to make light of the situation, that others have been equally as depressed and have learned ways to cope and survive.
• Do expand on alternatives. If we can expand the skills of a youth who has limited options and coping mechanisms, suicide may be prevented.
• DO GET HELP. Do something and do it now. If you suspect a person is suicidal, don’t wait until the situation becomes more serious. Call a local hospital, police department, or counseling center in your area for help. You will not put the idea of suicide into someone’s head, so if you suspect something is wrong, find out about it. You may prevent a suicide attempt that could be lethal.

• Don’t respond with shock to anything the person tells you. They will be put off by your reaction of rejection, indifference, or derision and such a response will block any further communication or ability to help.
• Don’t say “You shouldn’t feel that way” This only negates their feelings, and may make them think they can’t even feel right.
• Don’t cause the youth to feel more guilt. Don’t stress the shock, embarrassment, and pain that the suicide would cause the family. It makes them more guilty and more determined to punish themselves.
• Don’t try to physically remove a weapon from a suicidal person. You and the suicidal individual could both end up hurt.
• Don’t promise total confidentiality. Explain that you may need to involve other people in order to get help for them. You can promise that you will at least discuss with them the contacts that are made before and after you make them.
• Don’t argue about whether the youth should live or die. Help the youth see that the crisis will pass and that help is available. If you debate, you may not only lose the debate, but the person as well.
• Don’t give the youth choices to make that are not theirs. You must offer a realistic situation and ways to cope with that reality.
• Don’t minimize the problem. It may not seem like a life and death situation to you, but it is a crisis for the suicidal person. They need to see you take them seriously.
• Don’t leave the youth alone if you think they may be in imminent danger. Suicide-proof the surroundings. Get rid of lethal weapons!
• Don’t suggest using lethal weapons. DON’T make statements like “If you’re going to kill yourself make sure you do it right!”
• Don’t dare them or try to call their bluff.
• Don’t get over-involved. Try to keep a perspective on your limits and role. You cannot take responsibility for someone else’s actions.
• Don’t give up hope. A suicidal person may think suicide is their only alternative. Help find alternatives with them (not for them).

Foster Parents Needed!!!

Can you open your home and heart for a foster child? Foster parents provide a temporary, safe home for children in crisis. Foster parents are partners with child welfare workers, lawyers and judges. It is not for everyone but if you have it in your heart - we need you.

• Can you love and care for a child who comes from a difficult background?
• Can you help a child develop a sense of belonging?
• Are you secure in yourself & your parenting Skills?
• Can you maintain a positive attitude toward a child’s parents?
• Can you love with all your heart & then let go?

Foster Parents provide a temporary, safe home for children in crisis. They are partners with workers, lawyers, and judges. It is not for everyone! Can you open your home and heart for a foster child?

Many children need a loving home and a family to help them through a very tough time. Please think about it and talk with your family before you become a foster home. They all need safe, supportive environments!

If you find yourself and your family interested in Foster Care, please contact J.R. Wind 405-275-4030 ext. 195.
